Signifying involvement in the development of the Intermediate School District Plan

### Oakland Schools Plan for the Delivery of Special Education Programs and Services

#### A. Public Awareness

Copies of the ISD Plan for Oakland Schools are sent to each constituent district's Special Education Administrator, Parent Advisory Committee member, and Superintendent. Copies of the Plan are available by request through Oakland Schools or constituent districts' administrative offices. The following documents are referred to in the ISD Plan and are also available by request.

- Michigan Administrative Rules for Special Education
- Michigan Department of Education Policy for the Appointment of Surrogate Parents for Special Education Services
- Michigan Revised School Code
- Michigan State Aid Act
- Oakland Schools Parent Advisory Committee (PAC) By-Laws
- Oakland Schools Agreement on Special Education Programs and Services

The ISD and its constituent districts assure that all copies of contracts or service agreements under section 1751(1)(b) of 1976 PA 451 are on file at the ISD.

Each constituent district is charged with providing a summary of their programs and services and the Procedural Safeguards Notice to families upon initial referral or parental request for a multidisciplinary evaluation.

#### **B.** Child Find

Persons eligible for special education services in the Oakland Schools' constituent districts may be identified through Child Find, an outreach program conducted in cooperation with constituent districts.

Child Find activities are developed, implemented, and coordinated in cooperation with constituent districts, Child Find Coordinators and appropriate personnel in neighboring Intermediate School Districts (ISDs). Child Find and public awareness assure that the needs of students with disabilities up to 26 years of age will be met. Individuals who exhibit educational need at any age, up to age 25, may be referred.

It is the joint responsibility of the constituent districts and Oakland Schools to identify persons suspected of having a disability from birth to 26 through Child Find and public awareness, including students in county jails as well as other lower incident placements, like residential facilities, homebound hospitalized, etc. Administrative personnel responsible for informing the public of special education services are listed in Appendix B.

Information regarding special education programs and services will be distributed annually by the constituent districts and may include, but are not limited to:

- Area hospitals and healthcare agencies
- Oakland County Health Department
- Medical providers who treat infants and toddlers
- Head Start programs
- Day Care centers
- Preschool programs
- Medicaid screening clinics
- Mental health agencies

#### C. Diagnostic and Related Services

- Building principals
- Parent-Teacher Associations/Organizations
- Homes within the school district
- Local chapters of organizations for persons with disabilities
- District and county-level Parent Advisory Committees (PAC)
- Department of Health & Human Services

The resident district has the primary responsibility for providing diagnostic and related services. A comprehensive listing of diagnostic services provided by the constituent districts and Oakland Schools are updated annually and available in Appendix C.

#### **D.** Programs and Services

Programs and services in Oakland County are designed to provide students with disabilities the same opportunity as their non-disabled peers to be educated in the general education setting unless otherwise determined through their Individualized Education Program (IEP). A Continuum of Programs and Services offered by the constituent districts (Appendix D) are updated annually by Oakland Schools; notification of this annual update will be disseminated to constituent districts, Special Education Administrators of Oakland County, Parent Advisory Committee, and Oakland County Superintendents Association.

To facilitate mutual understanding and uninterrupted service provisions for students, the Oakland Schools Agreement on Special Education Programs and Services defines the responsibilities shared between districts operating center programs and resident districts.

Programs and services in Oakland County will be provided consistent with requirements in Part 3 of the *Michigan Administrative Rules for Special Education*, in particular, as required by R 340.1738(b) for students in programs for Severe Cognitive Impairment and R 340.1748(2) for students in programs for Severe Multiple Impairments.

Additional flexibility to programs and services may be available through the use of Optional Alternative Programs under R 340.1832(e) as identified in Section E.

It is the responsibility of the Oakland County constituent districts to provide special education programming and services to students with an IEP incarcerated in county jails.

**Assurance Statement:** Per 34 CFR § 300.111(a) and Dear Colleague Letter, December 5, 2014, the ISD and its constituent local educational agencies, including public school academies, have child find policies and procedures in place to identify, locate, and evaluate students who are in correctional facilities who may have a disability under the IDEA and are in need of special education and related services, regardless of the severity of their disability and consistent with the State's child find and eligibility standards. This responsibility includes students who have never been identified as a student with a disability prior to their entry into the facility.

**Assurance Statement:** Personally identifiable data, information, and records of students with disabilities are collected, used, or maintained in compliance with 34 C.F.R. §§300.610 through 300.626.

#### E. Optional Alternative Programs under Rule 340.1832(e)

Oakland Schools is committed to high expectations for all students and ensuring access to the general education curriculum in a general education setting for all students of school age, and in the case of students in post high school programs, access to their community. Improving the educational results for students with disabilities is an essential element of promoting equitable opportunity, full participation, independent living, economic self-sufficiency, and further education.

In all cases, it is the Individualized Education Program (IEP) Team that determines the programs and services provided to a student based on individual student need and are not predetermined based on disability. The process of identifying programs and services for each student includes consideration of maximal student achievement and social and emotional development.

11

The school districts of Oakland County are dedicated to operating under a well-defined plan for the delivery of special education programs and services. Oakland Schools and each constituent district are committed to providing services that are research-based, data driven and considerate of individual student needs in every way.

In recognition of the diverse needs of students, Oakland County provides the opportunity for its districts to operate special education programs and services according to the Individuals with Disabilities Education Act (IDEA), inclusive of those identified under the *Michigan Administrative Rules for Special Education*, R 1832(e). The Special Education Service Spectra (Appendix A) describe the philosophical framework in which special education needs are addressed, regardless of disability, and in the least restrictive environment to the maximum extent appropriate.

#### F. Paraprofessional Qualifications

Qualifications for paraprofessional personnel specifically follow R 340.1793 of the *Michigan Administrative Rules for Special Education*. In alignment with these rules, Oakland County requires paraprofessionals to possess the minimum of a high school diploma or its equivalent, and meet all applicable state and federal rule requirements. Constituent districts have the authority to establish local standards that meet or exceed these requirements.

#### **G.** Transportation

All constituent districts are required to provide transportation as determined by the students' Individualized Education Program (IEP). This may be provided locally, through cooperative agreements, or by private contracts.

#### H. Distribution of Funds

The Oakland Schools Board of Education has established a Special Education Fund for distribution of Public Act 18 Funds ("Act 18 Funds") based on an added-cost system. The distribution of all Act 18 Funds shall be governed by the most current *Oakland Schools Agreement on Special Education Programs and Services.* 

These monies are distributed in the following order:

1. Special Education programs and services inclusive of indirect costs provided by Oakland Schools. This is inclusive of annually determined line items accessed through an application and approval process which may include:

- a. Reimbursement of expenditures to constituent districts to start a new program for Center eligible students based on an approved "District Transition Plan/Application for Start-up Costs for Programs for Students with Complex Needs."
- b. Extraordinary expense reimbursement to constituent districts for reimbursement of expenses in excess of one (1) percent of the constituent district's Act 18 Fund allocation for circumstances beyond the constituent district's control that result in financial hardship subject to an approved *"Extraordinary Expense Application."*
- c. Extraordinary expense reimbursement to a Center Program operator only in the event the Center Program is unable to eliminate the extraordinary expense through a budget revision or by utilizing funds from their seven (7) percent unanticipated cost portion of tuition subject to an approved *"Extraordinary Expense Application."*
- d. Reimbursement of expenditures to districts operating a Center Program based on an approved *Oakland Schools Capital Needs Application* completed in accordance with the most current *"Special Education Center Program Capital Needs Protocol."*
- 2. Oakland Schools reimburses a portion of the constituent districts' special education costs through the PA 18 distribution formula in alignment with the conditions set forth in the most current *Oakland Schools Agreement on Special Education Programs and Services.* Each constituent district allocation of Act 18 Funds shall equal the product of all Act 18 Funds available for distribution to resident districts multiplied by the pro-rata percentage of Act 18 Funds allocated to the resident district. The pro-rata percentage of Act 18 Funds allocated to the resident district shall equal the quotient of each district's added costs for all resident districts adjusted by an equity factor divided by the sum of the equity adjusted added costs for all constituent districts. The Act 18 Funds available for constituent district distribution allocation may be adjusted if there is a change in tax revenue generated by PA 18 or, if the taxable value is adjusted for that year or any previous year.

The Oakland Schools Agreement on Special Education Programs and Services describes the manner and conditions under which Act 18 Funds shall be allocated, distributed, and paid by Oakland Schools to resident districts and districts operating Center Programs for Special Education and related services. The document sets forth an operational framework for interaction between Oakland Schools, districts operating Center Programs, and resident districts. The agreement is revised tri-annually and requires the signature of all constituent district Superintendents.

#### I. Federal Funds

To ensure compliance with regulations and assist in meeting the needs of eligible students within Oakland County, the ISD withholds 3.55% of the annual Part B flowthrough allocation. The remaining funds are distributed to districts in accordance with the Part B application.

#### J. Surrogate Parent

Oakland Schools will comply with the Michigan Department of Education's *Policy for the Appointment of Surrogate Parents for Special Education Services* and related federal law and regulation.

It is the responsibility of the constituent districts to develop and implement a policy that determines when it is appropriate to appoint a surrogate and how to facilitate such appointment. In addition, constituent districts are to maintain a pool of potential surrogate parents who meet required standards pursuant to the state policy. Each constituent district must fulfill the obligation to have a representative participate in annual training. Oakland Schools provides resources to its constituent districts for meeting the requirements of annual training of a pool of surrogate parents.

#### K. Parent Advisory Committee (PAC): Selection of PAC Representatives

The Oakland Schools Board of Education, at its regularly scheduled meetings, will appoint PAC members to serve three-year terms. The established terms are staggered to guarantee experienced memberships to fulfill the committee goals. The Oakland Schools Executive Director of Special Populations, or designee, shall make every attempt to assure that representation of all disability areas and all organizations, of parents of students with disabilities within Oakland County, are represented on the PAC. Further, the Oakland Schools Executive Director of Special Populations are made to the Oakland Schools Board of Education.

Each constituent district that provides special education services for more than 100 students may have two representatives. Each constituent district that provides special education services for fewer than 100 students may have one representative. Additionally, advocacy organizations may have one representative. Annually, on or before April 15, the Oakland Schools Executive Director of Special Populations, or designee, shall notify its constituent districts if a nomination of a parent(s) of a student with a disability is needed for the PAC. It is the responsibility of the district to assure their local Board of Education nominates a qualified parent(s) by July 1. Recommendations may be sought from local agencies, parent groups and school personnel.

A PAC member must be a parent or guardian:

- 1. Of a student who has been determined eligible for special education services by an IEP Team, and
- 2. Of a student who has a current academic year IEP, and
- 3. Whose nomination as a PAC member has been approved by his or her, local school board, and
- 4. Whose nomination as a PAC member has been accepted and approved by Oakland Schools Board of Education.

#### L. Parent Advisory Committee (PAC): Membership and Responsibility

PAC members must be "qualified parents" according to R 340.1838. Terms are established at three-year intervals. Members are responsible for attending meetings and participating in established committees as identified in the *Parent Advisory Committee's By-Laws*. PAC members are also responsible for being in contact with their Local Education Agency (LEA), Public School Academy (PSA), or organization/agency that he or she represents.

#### M. Parent Advisory Committee (PAC): Administrative Relationship

The Oakland Schools Executive Director of Special Populations, or designee, shall act in an advisory role to the PAC. At the request of the committee, the advisor shall provide assistance with:

- 1. Surveying the PAC for in-service needs on an annual basis, and developing subsequent programs to meet these needs with the Chairperson of the PAC
- 2. Defining the PAC activities that the PAC assumes as part of their role with Oakland Schools
- 3. Providing appropriate staff to be involved with the PAC
- 4. Providing for participation by representatives of other agencies as appropriate
- 5. Securing or allocating fiscal and staff resources to the PAC to make it efficient and effective in operation

#### N. Parent Advisory Committee (PAC): Role in Intermediate School District (ISD) Plan

The Plan and its modifications shall be developed in cooperation with the PAC. It shall be the responsibility of the Oakland Schools Executive Director of Special Populations, or designee, to assure that PAC members are provided with individual copies of the current Plan, and subsequent and proposed modifications.

- 1. Upon receipt of the Oakland Schools ISD Plan or a proposed modification, a subcommittee shall be appointed by the chairperson to review the Plan or modifications, and identify areas of either support or concern, and to propose adoption, changes and/or objections to the Plan or the modifications.
- 2. At subsequent meetings, the subcommittee shall present their findings to the PAC. Additionally, all input received from other sources shall be reviewed. The PAC will make written recommendations to the Oakland Schools Executive Director of Special Populations, or designee, for the Plan or modifications.
- 3. Questions regarding the Plan may be introduced at any scheduled PAC meeting.
- 4. Annually, at a regularly scheduled PAC meeting, the Oakland Schools Executive Director of Special Populations, or designee, will review the Plan, noting any proposed changes from the previous year's Plan.
- 5. Prior to the submission of the Plan, the PAC Chairperson shall be asked to sign the Plan endorsement page indicating that the members of the PAC have been involved in the drafting of the Plan. The Chairperson may be directed by vote of the membership to file a complaint if the PAC has not been cooperatively involved in the drafting of all sections of the Plan.

#### O. Process for Reviewing and Changing the ISD Plan

This Plan shall remain in effect until further modifications are made. As needed, proposed changes to the Plan will be cooperatively developed with the Parent Advisory Committee (PAC), constituent districts, Special Education Administrators of Oakland County (SEAOC), Oakland County Superintendents Association (OCSA), and Oakland Schools.

Proposed modifications are to be submitted to the Michigan Department of Education, Office of Special Education (MDE-OSE) for technical review. When complete, the proposed Plan modification is forwarded by the MDE-OSE to the Superintendent of Public Instruction for approval. Proposed alternative programs and services described under R 340.1832(e) may not be implemented until the Superintendent of Public Instruction approves the Plan. Within seven (7) days of receipt of approval, Oakland Schools will distribute the notice of approval and the final version of the Plan modification to its constituent districts, and the chairperson of the PAC.

#### P. Resolution Process for Disagreements in Development of Plan Language

If joint efforts among the Parent Advisory Committee (PAC), Special Education Administrators of Oakland County (SEAOC), the Oakland County Superintendents Association (OCSA), constituent districts, and Oakland Schools fail to produce an agreement on a proposed Plan change or on existing Plan language, any party may submit an objection utilizing the process set forth in R 340.1836.
