

Good Morning,

I am excited to announce that Josephinum Academy will be welcoming basketball activities back on campus! Beginning next week we will be offering basketball tryouts on Monday (2/1) and Tuesday (2/2) with practice dates to follow at Josephinum Academy. For those who are interested in participating on the Josephinum basketball team this season you should do your best to attend these tryout dates in order to be considered to make the basketball team this season. This opportunity is completely optional for those students who are interested in participating in the basketball season this year. As of right now, the basketball schedule for next week is as follows. If you have any issues/concerns attending the tryout dates please contact Mr. Ziolkowski.
