**DALLAS COLLEGE GUIDELINES FOR
EARLY COLLEGE HIGH SCHOOL DUAL CREDIT COURSES AND REMEDIAL
COURSES OFFERED IN PARTNERSHIP WITH TEXAS PUBLIC SCHOOLS**

2020-2021 Academic Year

The following guidelines reflect **current** Texas Higher Education Coordinating Board (THECB) rules and regulations (Chapter 4, Subchapters D and G) and Dallas College policies and procedures. THECB rules and DALLAS COLLEGE policies and procedures are always subject to change with the new changes taking precedence.

While THECB defines four types of partnerships with high schools, these guidelines do not address partnerships where only high school credit is granted nor do they apply to Career Pathway Program articulated agreements. They do address course credit where instruction is provided to high school students for the immediate award of both high school and college certificate and associate degree credit. They also address remedial instruction provided to high school students for either remedial work to prepare students to pass the State of Texas Assessments of Academic Readiness (STAAR) test(s) or other state-designated instrument(s) to prepare students to pass the Texas Success Initiative Assessment (TSIA) test(s).

1. Texas public colleges and universities are eligible to enter into agreements with Texas public schools to create an Early College High School (ECHS). Any College/University that participates in the creation of an ECHS shall notify the Texas Higher Education Coordinating Board in accordance with provisions and schedules determined by the Commissioner. For any instructional partnerships between Texas public school(s) and a college of the DALLAS COLLEGE to create an Early College High School, an agreement must be approved by the governing boards or designated authorities of both the Texas public school district(s) and the DALLAS COLLEGE prior to the offering of courses. This agreement must address the following:
 - A. Student eligibility requirement.
 - (1) The student must be enrolled in a Texas, high school.
 - (2) A student enrolled in Early College High School may enroll in more than one dual credit course per semester, and may enroll in dual credit coursework with freshman, sophomore, junior, or senior high school standing.
 - (3) The student must complete a pre-assessment activity (PAA) and practice test prior to taking the official Texas Success Initiative Assessment (TSIA) battery of tests.
 - (4) The Early College High School and the College shall assess each student for readiness to engage in any college-level curriculum offered for college credit prior to the student's enrollment in such curriculum.
 - (5) After the assessment, the Early College High School, using guidelines established by the College/University, shall determine what forms of assistance and remediation, if any, are necessary prior to a student's enrollment in any college-level curriculum based on the results of the assessment and other indicators of student readiness.
 - (6) A student must meet the college prerequisites designed the enrolled course.

Attachment A

- (24) Early College High Students are currently exempt from the following state requirements until they graduate from high school.
