February is Black History Month

Every year in the US, February is dedicated to celebrating the achievements of African Americans and recognizing their central role in history. While these achievements should be honored and remembered all year long, this month is a chance for the entire nation to make sure everyone sets aside time to recognize the struggles and strength of African Americans!

Perfect Attendance

Lakeview held its first Perfect Attendance Raffle online! Take a look at our website or on our social media for the video!

We had 547 raffle tickets entered!! Remember each month a student received perfect attendance they gain one raffle ticket in to the drawing! From these 547 tickets we chose the following 5 winners:

Ramonte Finley

Neo Rodriguez

Alexandra Fuentes

Nesreen Alsamain

Brayden Blankenship

We also had 25 students with OUTSTANDING perfect attendance! These students did not miss one class the entire First Semester!

These students can expect a certificate and award mailed home to them.

We will be holding another perfect attendance raffle for the third quarter (January-March). That gives students a chance to get three more raffle tickets each!

YEARBOOK PICTURES

2020-2021 Yearbook

Greetings Lakeview Family! We are in the process of making this year's annual yearbook- and it is an historic year. One of our challenges is that we cannot go class to class taking pictures, in fact we only have pictures that students and parents send to us!

Please consider sending us pictures that you would like to see in this year's yearbook: send the pictures to this email address – Rplacentia@vvuhsd.org

We need all students and parents to help with this, so this year's book will be filled with pictures of your scholars, your friends, and you!

STAFF SPOTLIGHT

Mr. Tartalone

Hi all! My name is Mr. Tartalone and I'm the new music teacher here at LLA! Before coming to Lakeview, I taught K-12 music at a small school district called Marlette, which is north of Detroit, MI.

Before that, I graduated from Michigan State University with my Bachelor's Degree in Music Education in 2018.

I love singing, playing trombone, guitar, drums, ukulele, and basically any instrument I can get my hands on! I have a lovely wife named Mary, a 1 year old son named Danny, and another baby due in late May!

In my free time, I like to camp, hike, travel, cook, snowboard, and spend quality time with my family. I'm very excited to be here at LLA and I'm looking forward to a great school year!
