

# Getting a COVID-19 Test

Lodi USD will be offering employees free COVID-19 testing under the following cadences and cases: Staff members have the ability to request a COVID-19 test once every two months and/or when a confirmed outbreak has occurred at their site.

1

Contact your supervisor to obtain a voucher code that will be used to order your AZOVA at-home COVID-19 test.

2

Once you have the voucher, go to <https://lodiUSD.azova.com> to request a COVID-19 at-home test.

On the website you will:

1. Request the test
2. Complete a CDC questionnaire
3. Sign up/Register \*
4. Provide mailing information
5. Create a test & lab order
6. Scheduled an optional video observation

3

Once you receive your in-home test kit, follow the instructions provided to complete the test and/or video observation.

Results are typically provided within 24 - 48 hours of lab receipt.

\* The following additional information will be needed when requesting a test: Name of the person testing, date of birth of person testing, employee or student ID of person testing, last date person testing was on site or work location.

For additional information please visit <http://www.lodiUSD.net/covid19> or email [communications@lodiUSD.net](mailto:communications@lodiUSD.net).
