

**Get involved with Diversity at Burroughs!**

The **JBS Community and Equity Partnership (C&EP)** is a group that encourages Burroughs parents and alumni to be involved in the program planning and activities relating to diversity, equity, inclusivity within the life of the school.

- Participation can be interest driven depending on the topic and upcoming events
- Members can take leadership roles in the planning of specific events and programs
- Members recommend and sponsor programs and other ways to celebrate and enhance the diversity and inclusivity of the school community.
- Partnership members represent the school at special events and activities.

**Where would you like to plug in?**

The C&EP has four sub-committees. Please indicate your interest below:

|   |  |
|---|--|
| <input type="checkbox"/> <b>Programming</b>                   | Responsible for assisting in the planning, and vetting of topics for monthly events  |
| <input type="checkbox"/> <b>International Student Program</b> | Manages the AFS international exchange student program, to include monitoring program policies and practices as well as marketing the program within the JBS community |
| <input type="checkbox"/> <b>International Week</b>            | Responsible for planning the week-long celebration of our JBS and international student cultures.  |
| <input type="checkbox"/> <b>International Dinner</b>          | Responsible for planning the culminating event of International Week. Includes recruiting cooks, logistics, and coordination of the dinner.                            |
