Keeping Safe At Newmark

Dear Newmark Parents and Staff,

We want to thank all our families and staff for being so vigilant in keeping the Newmark school building open since September. It has been a lot of hard work to keep the virus outside Newmark's doors. Please take a few minutes to **watch this very important [Mid Year Update](#)**.

General Reminders:

- Continue to stay vigilant.
- If your child is onsite, the **Daily COVID-19 Screening** is still required.
- Continue to notify Newmark at covid@newmarkeducation.com if:
 - Your child exhibits any symptoms
 - Your child has tested positive for COVID-19
 - Someone in the household has tested positive for COVID-19
 - Your child or someone in the household has been exposed to COVID-19
 - If your child or anyone in the household is awaiting test results for COVID-19
 - If your child has traveled to any states besides NY, PA, CT, DE. If so, they would need to quarantine for 14 days upon returning home

If your child has any of the above and needs to quarantine, please complete the **Request for Instruction Change Form** available on the PowerSchool Parent Portal so they can participate in LIVE Remote Instruction.

Health Officials have asked us to remind parents and staff to continue wearing masks and social distance from others who are not part of your immediate household whether indoors or outdoors. As always, please reach out if you have any questions. Thank you for helping us keep everyone safe.

Sincerely,

Dr. Regina M. Peter
Executive Director
