

## ROGERSVILLE CITY PROTOCOLS

February 1, 2021

### HEALTH AND HYGIENE

- Training and reminders for staff and students
- Daily temperature checks
- Hand sanitization stations available throughout the school.
- Thermometers in each classroom and at the school entrance.
- Staff and students will wear face masks.

### FACILITIES

- No water fountain use (students must bring a water bottle).
- Additional personal recently hired to help maintain building cleanliness.
- “Arrive Clean, Leave Clean” philosophy promoted.

### Health Clinic

- School clinic will be fully staffed and have isolation space available if needed.
- To limit interactions, many typical clinic cases will be handled in the classroom.
- Students with monitored symptoms and or a temperature over 100.4 will isolated with a mask and monitored until parents arrive.
- Clinic staff will wear a mask and clinic will be cleaned thoroughly ever day.
- Contract tracing will be done by the clinic staff.

### Campus Visitors

- Parent lunch visits will not be allowed, until further notice.
- Valentine party is cancelled. No outside deliveries of flowers, food, balloons, etc. due to COVID-19.
