Dear IASAS schools,

The IASAS conference announces the cancellation of the Season 3 Pre-IASAS Exchanges and the IASAS Championships. The current state of international travel restrictions, the varying allowances of on-campus student activities amongst our conference schools, and the current state of the global pandemic has brought us to this decision.

It's been further decided that there will be no in-person IASAS Athletic events planned for the remainder of the school year 2020/21. At one time we had hoped that sporting events from the cancelled seasons could have been held during available times that remained in our school calendars, but the factors we consider for hosting and international travel are showing no signs of improvement. The virtual IASAS Activities events that are planned for the remainder of this school year will continue. There is potential for virtual Athletic events pending further notice.

This is the third in a series of IASAS cancellation letters that bring this school year to a somber close. We miss the IASAS connections greatly, and look forward to when we will meet again, face to face, safely, under the IASAS banner. Thank you for your understanding and your support of the IASAS conference. Wishing you and your communities all the best during this time.

Regards,

Jacob M. Stockman
