On January 19, 2021 Rochester Public Schools began hybrid learning for grades PreK-2, while grades 3-5 remained in distance learning. Secondary students' learning model transition to allowing distance learning plus supports. Athletics practices resumed on January 6, and depending on the sport, some competitions are allowed to occur.

The District only tracks cases that are reported to us. During distance learning, some parents/guardians do not report their child's positive case since children are not coming to school or participating in any school activities. As such, the District does not have an accurate account for positive student cases during the distance learning period.
