

Eastview High School: Class of 2023

Junior Registration Worksheet

The school year at Eastview is divided into four nine-week quarters, with seven periods per day. Students have the opportunity to **select up to 28 quarter courses** during the registration process ($4 \text{ quarters} \times 7 \text{ periods per quarter} = 28 \text{ courses}$). Each quarter course earns .75 credit (successful completion of a year-long course earns $.75 \times 4 = 3 \text{ credits}$ toward graduation). **Eleventh grade students must select a minimum of 20 courses**; study halls will be assigned for remaining open periods. Actual placement of courses (including study halls) will be determined during the scheduling process.

Use the worksheet below to guide your selection process. Full-year required core courses (English, Social Studies, Mathematics and Science) are listed first; choose one sequence in each category and select all four quarter courses (A/B/C/D) to meet the full-year requirement. Required PE/Wellness courses are listed next. Elective choices follow, with full-year courses first, and quarter electives at the end. Courses with pre-requisites and other recommendations are identified with an “*”; complete descriptions and additional details can be found online at evhs.district196.org/academics/registration.
