DEXTER COMMUNITY SCHOOLS

February 2, 2021

Dear DCS Families,

It is great having students back in our buildings in all grade levels! Thank you so much for your patience as we all navigate through this pandemic and flexible school year.

A few quick items of note:

- As we begin planning for 2021-2022, we are taking the pulse of our parents/guardians and what they may be interested in for their child(ren) next fall. Please take a few minutes to share your thoughts. This is not a "sign up" or a "commitment" to a program. It is intended to give us a quick pulse on what our families are thinking about regarding the next school year. Please take a moment to complete this quick survey: <https://forms.gle/4dkYANGFW4JXWJDK7>
- In partnership with Saline Area Schools, we're inviting parents to attend a zoom webinar with Dr. Varsha Moudgal (Infectious Diseases Physician at St. Joe's) on Wednesday 2/3 at 6 pm. Please click the link below to join the webinar: <https://salineschools-org.zoom.us/j/93181976591?pwd=Q2t3amVZak5tWGpEYkRWk3VoNG5GUT09> Passcode: 512213
- Now that all of our buildings are in session on most days of the week, we are requesting that our community be cognizant that students are in the buildings and using the outdoor spaces during the school day. Please see the letter from [October](#) regarding using school facilities during the school day.

Thank you for your continued support and trust in Dexter Community Schools.

Take care and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
