

**Policy Statement # 4210 (Supporting Services)
Regarding School Vehicle Driver Alcohol and Controlled Substances Use and Testing Program**

I. Purpose

- A. To ensure that students who are riding in school vehicles contracted by Calvert County Public Schools are transported safely.
- B. To ensure that all individuals who drive school vehicles contracted by Calvert County Public Schools have met alcohol and controlled substances use and testing requirements.

II. Definitions

- A. School vehicle – Any motor vehicle that is used regularly for the exclusive transportation of children, students, or teachers for educational purposes or in connection with a school activity, is either a Type I or Type II school vehicle as defined in the Transportation Article of the Annotated Code of Maryland and is not excluded by the Transportation Article of the Annotated Code of Maryland.
- B. School vehicle driver - an individual who has applied for employment with Calvert County Public Schools or an entity contracting with Calvert County Public Schools as a school vehicle driver; is employed by Calvert County Public Schools or an entity contracting with Calvert County Public Schools as a school vehicle driver; or is an owner-operator of a school vehicle; and is certified and verified by the local school system as having met all local, state, and federal requirements to be a school vehicle driver.
- C. School vehicle driver trainee - an individual who has applied for employment with a local school system or an entity contracting with a school system and is seeking Department-required certification as a school vehicle driver.

III. Policy Statement

- A. The Calvert County Board of Education recognizes the importance of ensuring the safe transportation of students. In addition, the Board of Education is committed to maintaining exemplary school vehicle driver standards. Therefore, the Board of Education requires that every school vehicle driver trainee and school vehicle driver participate in an alcohol and controlled substances testing program which complies with the standards set in federal and state laws and regulations.

IV. Delegation of Authority

- A. The Superintendent of Schools is directed to develop administrative procedures to implement this policy in accordance with all local policies and local, state and federal laws and regulations, and to communicate this policy and accompanying procedures to all relevant parties.

V. Exceptions

- A. There are no exceptions to this policy. However, the Board, by majority vote, may temporarily suspend all or part of this policy. Suspension of all or part of this policy, however, in no way relieves the Board of its obligation to comply with the pertinent local, state and federal laws and regulations or the rules and regulations of the Maryland State Board of Education and the Maryland State Department of Education.

VI. Review

- A. This policy will be reviewed at the end of four years, or sooner, if approved by majority vote of the Board of Education in public session.

VII. Effective Date

- A. This policy is effective January 14, 2021.
