Stacie Johnson	I have been exploring the website from the Office of Administrative Hearings that Karen sent to us and it is very educational. It is good to have this resource because reading past cases helps us to know what may have gone wrong or where communication may have failed that led to these cases being escalated.
Oscar Tafolla	Re-read the SST and 504 procedure documents provided by our district.
Steven Mueller	Continual asking of questions to seek clarification as needed.
Angela Protzman	Continue learning and growing as a leader.
