7. This session improved my ability to ...

**Responses**

Understand and explain the Ca Dashboard. I have supported others in the past as they work through setting goals with the data available on the dashboard, but the system is complex. This PD was a good refresher. I feel like each time the Dashboard is explained to me I learn something new. Thank you for this PD, and thank you for your time!

Confidently discuss my school dashboard with both parents and staff

Articulate the nuances of the various indicators.

Understanding the strengths and needs of my school site.

8. Other assistance I will seek is ...

**Responses**

in regards to how we systemically review indicators to make realistic, interdependent goals.

Continuing to ask questions and work collaboratively with district employees to meet the needs of my site and district.

9. My next steps are ...

**Responses**

Solidify plans with my Principal in implementing strategies towards improving our performance

to discuss these indicators and the impact they have on our work at JFK,

Work alongside principal to identify the strengths and needs of staff and students.

10. Suggestions for the presenter:

**Responses**

NA, loved the session and resources I walked away with! THANK YOU

Continue to be amazing!
