Dear Families & Staff:

Today, February 1<sup>st</sup> we were notified of a positive case of COVID-19 at West Vine Street School. The school administration has completed contact tracing in order to identify close contacts. At this point in time all close contacts have been notified.

As a reminder, anyone who is deemed a close contact of a positive case of COVID-19 is required to quarantine. Information about quarantine protocols is available on both the school district and Ledge Light Health District websites. Additionally, please remember to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we continue to strive to keep our schools open and safe.

Sincerely,

A handwritten signature in cursive script, appearing to read "Van W. Riley".
