Dear Families & Staff:

Today, February 2nd we were notified of a positive case of COVID-19 at Deans Mill School. The school has completed contact tracing in order to identify close contacts. At this point in time all close contacts have been notified.

As a reminder, anyone who is deemed a close contact of a positive case of COVID-19 is required to quarantine. ***For information about quarantining and school health practices related to COVID-19, please visit the special red banner section located at the top of the homepage of our website at <https://www.stoningtonschools.org/>.***

Additionally, please remember to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we continue to strive to keep our schools open and safe.

Sincerely,
