

**Welcome to Gunn High School
Chinese Classroom**

Our Goals from Chinese 1 to AP over 4 years

Backward Design is the key of the 4 year program.

College Board AP Rubric and **ACTFL Can-do Statements** are the learning guidelines for our program.

The 4th year (AP Course) is the senior year's class if a student starts with Chinese 1 class from the freshman year.

Chinese 3 is a class to get all students ready for AP course in their next year.

Chinese 2 is a further study based on the knowledge and skills that all students have gained in Chinese 1 class.

Chinese 1 class is for students who know “zero” Chinese language. We start with pinyin and writing characters. By the end of the Chinese 1 class, all students should be able to write a letter to introduce themselves in Chinese.
