

# German at the Lower School

## Highlights

- Native German speaking teachers
- Within the Foreign Language Track, our program is guided by the Common European Framework for Languages (CEFL).
- Our Foreign Language Track uses the Planetino course book, which is written for learners of German as a foreign language.
- Our Fluent Speaker Track uses the Jo-Jo course book as a guide.
- We follow the Hörschlau and Leseschlau programs, which are commonly used in Swiss schools to teach correct mouth formation when speaking German.
- Students will gain proficiency in German language skills and progress through the appropriate levels of the CEFL for languages (A1–B1).
