Vianney Honors Jubilarians

"jubilee celebration
why?

what for?

Jubilees are ultimately worship services to praise God for trusting men, to praise men for trusting God."

The year 1975 saw two brothers have jubilee celebrations at Vianney. Brother Paul Metzger celebrated his silver jubilee for 25 years of service to the Marianists. Brother Al Miller was honored for 50 years of service.

Brother Metzger serves as curriculum coordinator for Vianney and teaches freshman history. "Twenty-five years ago he devoted his life to our Lord and the people around him. Twenty-five years of love and concern for those who wanted and needed it. Brotherhood. I guess that's what being a brother means. Being able to help others to see themselves through the eyes of the Lord." Brother Metzger is a great man and Vianney thanks him for his contributions to us.

1913 In Memoriam 1974

One of the greatest persons I have ever known was Father Piekarski. When someone said that Fr. Piekarski could do anything, they meant it. Besides teaching math and history, he could speak French and Latin, his knowledge of shorthand was amazing, and he also produced beautiful beadwork.

More than for his physical capabilities, Father Piekarski was known for his personality and ability to get along with people. In my freshman year, my dad and Fr. Piekarski became instant friends. On certain Sundays he would call my dad up and say he had nothing to do. So my dad would run on out to school and pick him up and he would end up staying until late at

night. He could tell you more stories than you have ever heard and you never knew if they were true, partly true or not true at all.

But most important of all his qualities was the man himself and what he embodied. He was a symbol of success in or out of the classroom. Just knowing that he was your teacher gave one confidence that he would learn. Just knowing that Father Piekarski had something to do with an activity, one felt sure that it would succeed. Vianney will sure miss a man of his stature.

Editor in Chief

Who seems to be overlooked by most of the Student Body? Who never receives much credit for his work with the mission collections? Who spends most of his time at school and its functions but never is really recognized? The answer to all of these questions is the Reverend George Scherrer. We decided to dedicate this year's yearbook to Father Scherrer because of the above facts. It is unfortunate that a man of Father Scherrer's intelligence cannot accomplish everything he would like to do because of a handicap. But it is a blessing that a man with a handicap like his can accomplish what he does. In all of our years at Vianney, we have seen him at every football game. He is in the office every day to receive and sort mail. And he is always in a jovial mood when we meet him in the halls. With appreciation, we dedicate this yearbook to Fr. Scherrer.

Homecoming Nineteen Seventy Four

Homecoming 1974 began Friday night with the annual Homecoming Dance featuring the music of Effic. A special attraction that everyone was waiting for was the announcement of the Homecoming Queen. She was Diane Amato, and her court consisted of Lynn Horas, Connie Becker, Tina Mallet, and Pam Manion. The next evening was the Pep Rally starting with the announcement of the football players. The Cross-Country team led the spirited crowd down to the bonfire as they carried flares ready to light it. There was also an old Rebel available for football players and spectators to take out their frustrations. . .to get psyched up for Sunday's game against Rosary. To finish off the weekend and to make Homecoming 1974 even more successful, the Griffins defeated Rosary 33-6. At the end of the game the Alumni Association presented the M.V.P. award to Ken Repp for outstanding performance. . .the first time this award has been given to a Junior.

1975 C r o s s C o u n t r y

In the midst of a real surge of effort the Varsity team did not quite have as fine of a season as was expected. Returning to the varsity squad were seniors Tony Ebert, Dave Kelly, Mark Borzillo, Tom Turner, Steve Leicht, Tom Heitert, and Gene Engel. Also there were two juniors George Dierkers and Steve Kleffner who worked hard to help out the team. Plagued by injuries, the team placed third in the conference.

The B-Team squad had a fine season and went on to tie for first in the conference with Aquinas. Heading up the B-Team squad were runners: Dave Pijut, Jerry Geen, Mark Schaedler, Steve Klutho, Mike Cardosi and two outstanding freshmen, Bob Butler and Chris Rogers. These two freshmen who ran most of the year on C-Team were brought up to run B-Team in C.A.C.

On the other hand, C-Team had an outstanding season as they were undefeated throughout the year. Their two best runners were Bob Butler and Chris Rogers who took several first and seconds.

Coach Furrer, in his second year of coaching the three teams, did a great job.

Girl Reps

The girl reps were an important factor for Vianney's social activities being such a success this year.

There were nine girl reps representing each of nine schools. Their job as reps was to keep each school informed of Vianney's activities and let the students at Vianney know what's happening at their schools.

The senior class was given its chance to meet and vote for the candidates at a gym night with our favorite Bro. "Doc" Towers as Master of Ceremonies. Mike McArthur was the director of the 1974-75 girl rep program.

A note of thanks goes to Mike, Bro. Towers and the girls for what they did to help Vianney this year.

Cor Jesus,

Student Proctors

Under the moderation of Bro. Grass, Gene Engel and the Student Proctors kept order in the cafeteria and during assemblies. This year the cafeteria procedure was handled differently. Instead of giving tables to just freshmen, they were given to anyone seen messing up the cafeteria. In this manner, everyone had a responsibility to fulfill. This system had a very good effect as everyone did his thing. This year's newly established tradition is HOPEFULLY passed on to the Class of 76!!!

Student Court

This year's Student Court, under the direction of Student Council Vice-President, Gene Engel, worked at least as well as any other court in years past. With Mike Mullen as Chief Justice and Mike Quirk acting as Sergeant-at-Arms, along with the senior, junior, sophomore and freshman judges, the court was run with swiftness, authority, and fairness. Those accused were required to appear before court and plead their cases. Verdicts, and if needed, sentences, were meeded out by the judges and Mike Mullen respectively. The sentences were taken care of by various proctors without administration or faculty assistance. This fact is the backbone of the court and proctor system—no student is continually in hot water with his teachers and parents.

National Honor Society

The National Honor Society for 1974-75 was under the guidance of Bro. Earl Leistikow. Senior officers were Dan Pijut, President; Barry Zimmermann, Vice-President; and Mark Lux, Secretary-Treasurer. This group of seniors orient the freshmen, act as freshman student council reps, and organize gym nights and other activities. freshmen benefit from this organization, as well as the members who run the Big Brother program. They are trained by Brother Grass during the summer months to learn how to communicate and listen to any problems of the freshmen. These students render a big service to Vianney.

Cagers Capture C.A.C.

The Griffins had a very successful year even though their record was only 13-10. They captured second place in our Vianney Invitational and went on to go 8-0 in conference before two heartbreaking losses to St. Mary's (53-46) and DuBourg (55-39). Even though the Griffins ended in a three way tie for first place, it marked only the second time in Vianney basketball history that they attained the crown. Regionals were next for Vianney, as the Griffins defeated Affton in the semifinals and advanced to the finals where they faced Lindbergh. It was close all the way but the Griffins bowed in the end 58-49, settling for second place in the Lindbergh Regional. Our thanks to Coach Boeckman for a fine coaching job and a successful season.

The 1974-75 varsity soccer team was very much of a surprise in the St. Louis area this year. They compiled an overall record of 16-6-5. The team came in 3rd in the C.Y.C Christmas Tournament beating St. Mary's 1-0; 1973-74 state champs Normandy 3-0; perennially powerful and eventually 2nd place team in the state tournament, St. Louis University High 2-1, and Aquinas 2-0. The team went on to gain their District Championship and eventually 4th place in the state tournament after a heart-breaking loss to McCluer North, the 1974-75 state champs. The team's success was due to the hard work and determination of the team members and to the fine coaching job done by C.A.C. and State Coach of the Year, Mr. Mike Villa. Due to the success of the season, the players received great support from many loyal fans throughout the year.

Hockey Team Strives

The Vianney hockey team went through a rebuilding process this past season as they had only two seniors on the team. The group recorded 9 wins and 13 losses during the season, and lost their play-off game to Country Day on a disputed goal. The future is bright since Coach, Brother Norbert Grass, has many talented young players to work with next season.

THE TALON

This year's TALON staff was faced with some difficult problems for the first time. The number one problem was the fact that the students would now be required to pay for their yearbooks when in the past they were included in the tuition. Just the thought of paying out \$8.00 at a time was almost too much for some to handle, but the majority of the students did manage to make the payment.

This year's staff was "blessed" with a new moderator, Bro. Michael Heeley. Bro. Heeley works at the Marianist Communication Center. He assumed the responsibilities for the yearbook from Father Piekarski. His knowledge in the journalism field has been quite valuable. In spite of the problem of a small working force, the yearbook staff seemed to come up with a fine 74-75 TALON.

1974-75 Theatre Productions

A real surge for fine arts at Vianney this year was the success of the Drama department. Under the creative and competent direction of Mr. John Burcke and Mr. Steve Nobel, the department presented three major productions. Student auditions reflected the renewed interest in this area of extracurricular activity. The success of this year's productions has already spurred speculation for greater things in '76.

Varsity Track Grabs 2nd Crown In A Row

Once again, Vianney's track team proved itself unbeatable. For the second straight year, Vianney captured the CAC Crown. Last year they did it with the help of Will Fechner who got the majority of the team's points. This year the star was Mark Lux who got some 20 odd points. And in doing so set school records in the 440 and 880 yd. runs.

Baseball Griffins Second In C.A.C.

With most of the baseball lettermen returning from last year, Coach Boeckman was looking forward to another rewarding year. And this was basically accomplished. Vianney's baseball team again proved to its CAC competitors that they were tough. But Kennedy's surprise performance this year dimmed the Griffins' hopes as they fell one game short of a tie.

Golf Finishes Second

Vianney's 1975 golf team balanced their attack this year and came up with a 10-4 record. In the process, they managed to place second in the CAC meet on the challenging St. Charles Course. The Griffins were led by medalist Ron Agne's 70; however, the team failed in its overall effort by a slight 5 strokes. Some of the highlights of the season were defeating Chaminade and CBC, both perennial powers, on their home courses.

With the entire team returning except for one, Bro. Grass is looking forward to an even better season next year.

Jazz Concert

Life C.L.C.

For the past two years, Vianney has been sending a limited number of students and faculty members to a camp called "Life." "Life," which stands for "Living in Faith Experience," lasts one week during the summer. During this camp, each person learns things about himself and the other people around him.

This year's "Life" group decided to bring the knowledge they acquired during the summer back to Vianney, the result was C.L.C.—Christian Life Community. Originally intended for the student council officers and reps, C.L.C. transformed into a group for everyone instead of just student council. It is proper to say that C.L.C. was an enormous success as everyone who participated in it grew to know himself better as well as his religion.

V.I.P.

V.I.P. Vianney Involvement Program. It's a word you don't hear too much around school. But it has an important function. For several weekends certain students gave up their time to volunteer and help a retarded or unfortunate child and show them that someone does care. Much thanks to Fr. Tobin who organized it.

In closing, I would like to thank those who gave up their time and contributed much effort to the making of this year-book. I would like to especially thank Bro. Heeley, who besides running the Communication Center, spent much time there after hours helping with the book. And also deserving thanks is Lorraine Mallmann, Bro. Heeley's secretary who also spent much time typing copy. I must also add the fact that the staff, which was quite small, produced much which took a load off of my back.
