GROUP

Dear Parents,

Welcome to Ryan! Have you wanted to volunteer, do you have some great ideas but can't spend the work day with us? No worries! With our new Parent group forming, you could be in luck. Maybe its what you have been waiting for! We are not the PTO, we love our Parent Volunteers but this is a different Parents group. We focus on The Leader In Me format applied here at Ryan. We get down and dirty with the 7 Habits and celebrate the use of them! We work with the teachers, Administration and students for a healthy, happy school day! Looking to be part of a great team? Sign up! We have multiple groups to be apart of you can select one or as many as you please. Don't have time to volunteer but have an idea, let us know! We love hearing suggestions on how to make our students and teachers world a better place! Follow the link below to sign up. We look forward to working with you in the near future! Rock on Ryan!
