## **Scott Libby PTA Awarded Grant to Continue COVID-19 Relief Efforts**

**Litchfield Park, AZ December 23, 2020**—National PTA has awarded Scott Libby PTA with a \$2,500 grant to continue their efforts to meet critical needs of students, families and teachers in their school community due to COVID-19. The funding is made possible by PTA Proud National Sponsor Mountain America Credit Union. The funding is in addition to the \$5,000 grant National PTA awarded Scott Libby PTA in 2020 to empower their COVID-19 relief efforts.

“The COVID-19 pandemic is not over, and National PTA and PTAs nationwide remain committed to making sure students, families, teachers and schools have what they need during this challenging time,” said Leslie Boggs, president of National PTA. “Scott Libby PTA has been working hard every day to provide essential resources, tools and information to support families and educators amid the pandemic. With the grant, Scott Libby PTA will be able to continue to provide critical support to their school community.”

With the grants, Scott Libby PTA’s Male Engagement Committee will be creating reusable, at-home, age and grade appropriate STEM kits for the students.

“You are all incredible. The investment in our kids is beautiful. Thank you!!!”-Mrs. Krystal Contreras, 2nd grade teacher at Scott Libby Elementary.

Scott Libby PTA’s grants are part of over \$1.5M in funding that National PTA has provided to PTAs across the country for COVID-19 relief efforts.

“With the grant funding, PTAs will be able to continue their important and impactful work,” added Nathan R. Monell, CAE, National PTA executive director. “We are grateful to our sponsors, including Mountain American Credit Union, for enabling us to provide resources to PTAs to help them care for their school communities.”

In addition to these COVID-19 relief grants, Mountain America Credit Union also supports PTA’s leadership development initiatives.
