Combination – Talley High School allows for flexible scheduling which can be a combination of any three of the above programs (Independent and Guided combination is common)

If the student has an IEP:

1. Convene an IEP team meeting at Comprehensive School;
2. Document that IEP Team agrees the student needs different services (Ex: smaller environment)
3. IEP team decides “what” supports the student needs, not “where”
4. Forward IEP and THS application to Talley
5. Talley will either move directly to intake conference or forward the App/IEP to Gwen Zuehlke for review.

If ELL, the student must have tested out of need for English Language Learner specific classes. Confirmed by home high school counselor and ELL teacher: “Does the student need language support to be successful?”

If school counselors or counseling secretaries are submitting the application, please send to Julie Whiten and cc Ron Mahan (Julie.whiten@rentonschools.us; Ronald.mahan@rentonschools.us)
