Virtual Parent Consultations

Wednesday 10th February and Thursday 11th February 2021

Dear Parents and Carers,

Parent consultations will take place with your child's class teacher after school on **Wednesday 10th February** and during the afternoon on **Thursday 11th February** via video conferencing on Google Meets. During this meeting, the class teacher will discuss how your child is progressing, their current attainment levels and their engagement and attitude to learning during the autumn term as well as with remote learning.

We will again be using our *electronic booking system* to book these appointments which will go live tomorrow, **Thursday 4th February at 6pm**. Please [click here](#) for details of how to log in and set up your account.

To book your appointment, please use this link: <https://parkhilljunior.schoolcloud.co.uk/> after 6pm tomorrow Thursday 4th February 2021. Once you have booked your slot you will receive a confirmation email.

On the day of your appointment, **a link will be posted on your child's Google Classroom stream at the time allocated**. Please click on the link provided in the stream, using your child's log in details, to speak to the class teacher. If you would like the SEND Lead Teacher to attend the meeting, please email the office with the time you have selected.

If you are unable to access this system then please ring the school office and we will be very happy to assist you. We hope that this will be a system that works for everyone and would be very grateful for any feedback once you have used it and have successfully attended parent consultation.

Yours sincerely,

The Park Hill Junior School Leadership Team
