Instructor: Deanna Napier and Coach Kevin

Enrollment: minimum: 10 maximum: 40

# MATH WIZARDS

Grades: K-2 and 3-5  
Dates: K-2 - June 7-10  
3-5 - June 1-4  
3-5 - June 28-July 1  
Times: 9:00am - 12:00pm  
Cost: K-2 - \$175  
3-5 - \$175

Make sure your students keep their math skills sharp over the summer. Mrs. Riggins is Shlenker's Math Specialist. She feels it is her job to make sure all of the students love math as much as she does! The students will work on their current skills and be introduced to topics coming up in the next school year. They will play games, go outside and have math scavenger hunts, and use math in everyday skills including recipes. Your child will love this engaging class!

Instructor: Julie Riggins

Enrollment: minimum: 5 maximum: 12

# BACKYARD RANGERS

Ages:	7-11
Dates:	Week 1 - June 14-18 Week 2 - June 21-25
Times:	Full Day 9:00am - 3:00pm Half Day 9:00am - 12:00pm or 12:00pm - 3:00pm
Cost:	Full Day \$325 Half Day \$165

In the first hour, Rangers will take a hike into The BackYard to explore one of its four distinct ecosystems. Searching for biofacts and other clues will reveal which animals live here or just visit. Learning about the trees and flowering plants of The BackYard will reveal why these animals choose it as their habitat. In the second hour, Rangers will extend their knowledge and appreciation of this unique natural sanctuary by completing a nature craft project to take home. The last hour will include outdoor nature games, a romp through Nature's Playground with its permanent rope bridge, and a ride on a temporary zip line through the forest!

Note: Full Day Rangers will complete two different nature crafts, while Half Day Rangers will complete just one. Week 2 content will be different from Week 1.

For more information, please contact Mr. Blanton at 713-270-6127 ext. 440 or at [jblanton@shlenker.org](mailto:jblanton@shlenker.org).

Instructor: Joe Blanton

Enrollment: minimum: 2 maximum: 8
