15.3 Assignment - When a vacancy occurs or a new position is created, employees in the same pay classification as the vacancy shall be surveyed as to their interest in the specific work assignment represented by the vacancy. The Manager of Graphics and Distribution will only consider those in the classification desiring reassignment who possess the necessary qualifications prior to posting the vacancy. Seniority will be a factor in reassignment, but qualifications will be the controlling factor.

15.4 Vacancies - After consideration of assignment requests pursuant to Section 15.3, the District shall post any resulting vacancy in all work locations for at least fourteen (14) calendar days. This posting shall occur within fourteen (14) calendar days of the vacancy being known to the District's Human Resources Office, following the classification survey of employees. Screening of applications and the scheduling of interviews shall generally occur with fourteen (14) days after the closing date on the posting, and the hiring decision will be made reasonably thereafter, contingent upon background investigations, reference checks and the Board of Director's meeting schedule. The District agrees to interview and give due consideration to employees in active employment as substitutes in the bargaining unit for vacant and/or newly created positions prior to interviewing other interested outside
applicants. In the event there are substitutes who are currently employed under temporary employee status, said employees will be afforded the same due consideration prior to interviewing substitute employees.

15.4.1 **Promotions** - Qualified employees in the bargaining unit for whom the vacancy represents a promotion will be given the opportunity to be interviewed first for vacancies, including supervisory positions, before outside applicants, provided such employees makes application with five (5) days of the posting the vacancy. The filling of exempt supervisory positions shall not be subject to the provisions of Article 26, Grievance Procedure.

15.4.3 **Selection Criteria** - The District shall determine an individual’s qualifications using Job factors and Applicant factors. Job factors shall include consideration of those elements on the posting for the vacancy and specific job requirements. Applicant factors shall include consideration of the employee’s past performance, training, work experience, and desire for the position. If two or more applicants are judged by the District to possess the qualifications for the job, then the employee with the greater seniority shall be granted the promotion or transfer.

15.4.4 **Promotional Trial Period** - In the event of a promotion, the employee shall be given a trial period not more than ninety (90) days in the new position. Prior to ninety (90) days the employee may be returned to the former or a comparable position if trial performance is not satisfactory. The employee shall receive the higher rate of pay during the trial period.

15.4.5 **Notification** - Upon request, a senior employee who is passed over the promotion or returned to a former or a comparable position will receive written notification of the specific reasons for such action.

15.4.6 **Posting Exception** - Positions vacated due to an incomplete trial period need not be advertised.

15.4.7 If the District hires a person without a current CDL, the District will provide the necessary training, testing, equipment, and working time to the new employee to obtain their CDL. Provided however, employees who still are unable to obtain a CDL by the one hundred eighty first (181st) calendar day of employment will be subject to progressive discipline as provided for in Article XVI of this Agreement. The Parties agree to discuss extenuating circumstances which may have delayed the employee from getting a CDL prior to issuing progressive discipline.

15.5 **Layoff** - Layoffs shall occur in reverse order of seniority within each skill area or classification.

15.5.1 Layoff and recall will be by classification as defined: Garbage/Sludge Truck Driver, Warehouse and Delivery Driver, Warehouse/Recycle Driver and Delivery/Pickup Helper. Warehouse and Delivery positions will count as one (1) classification. Garbage/Sludge Truck Driver will count as one (1) classification.

15.5.2 In the event of layoff, the Employer agrees to give each employee to be laid off at least two (2) weeks notice of its intent to lay off.

15.5.3 An employee will be paid for accumulated vacation time when laid off for any days accumulated as followed in the Vacation Section of this Agreement.
15.5.4 Employees on lay off status may continue to participate in insurance programs consistent with Federal COBRA, if premiums are paid by the employee, subject to conditions of the insurance carriers.

15.5.5 A laid off employee shall upon application, and at his/her option, be granted priority status on the substitute list according to his/her seniority.

15.6 Recall - A re-employment pool shall be created from which laid off employees will have priority for available position vacancies. Those having the greatest seniority will receive first right to return for positions for which they are qualified.

15.6.1 Those employees laid off due to staff cut-backs will remain in the re-employment pool unless they notify the District they are no longer available for re-employment. The District shall continue the re-employment pool for one (1) full contract year following the lay off and until August 31st of the subsequent year. If an employee is not re-employed by August 31st of the subsequent year, said employee will be dropped from the re-employment pool. An employee who declines recall to perform work for which they were designated shall forfeit their re-employment rights.

15.6.2 Notices of recall shall be sent by certified or registered mail to the last known address as shown on the District's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the District notified as to their current mailing address. A recalled employee shall be given at least ten (10) business days from the date on the notice to report to work. The District may fill the position on a temporary basis until the recalled employee can report for work providing the employee reports within the ten (10) day period.

15.6.3 Placement on the salary schedule upon return will be at the same level of experience as the person held when laid off. Accumulated sick leave and seniority accrued at the time of lay off shall be returned.

15.7 Temporary Reassignment - Due to workload needs, employee absence or employee leave, the District may temporarily reassign employees to cover necessary work. If the reassignment is for five (5) days or more in a higher classification, the employee will receive pay for the higher classification and that pay will be retroactive to the first day on an hour for hour basis. Any temporary reassignment of an employee to cover the "Garbage/Sludge Driver" position shall receive the high classification rate of pay the first day for each hour worked in the higher classification.

15.7.1 Those otherwise qualified warehouse employees shall be given first opportunity to work in the higher "Garbage/Sludge Driver" classification but only when overtime rates would be applicable to any selected employee commencing with the highest classification assignment at the beginning of the shift.

ARTICLE XVI SEVERANCE OF EMPLOYMENT

16.1 Except in case of serious infraction, the Employer agrees to give each employee at least two (2) weeks notice of its intent to terminate. Each employee shall give the Employer at least two (2) weeks notice of his/her intention to quit. The two (2) weeks notice may be waived by mutual agreement.

16.2 The Employer agrees to follow a policy of progressive discipline with termination as a final and last resort. The District policy for progressive discipline may include the following:

- Verbal Warning

16.5 Just cause for immediate suspension or discharge shall include, but is not limited to: gross insubordination; proven dishonesty; intoxication or substance abuse related to employment; immorality; excessive chargeable accidents, or a single chargeable severe accident; an employment related incident involving a violation of the law concerning firearms, weapons and other dangerous instruments; reckless or unauthorized use of District vehicles; or other types of conduct of a parallel magnitude. The District shall notify the Union and the employee in writing within five (5) working days of the date of the violation and the reasons for any disciplinary action.

16.6 Employees whose services are unsatisfactory may be placed on probation. Such probationary status shall be for specific reasons, recorded and made available to the employee. Written criteria for improvement and their reasonable time lines, will be reviewed with and given to the employee. Periodic meetings will be held by the Supervisor (or appropriate Director) to review the probationary progress.

Complaints not brought to the attention of the employee shall not be used as the basis for disciplinary action against the employee.

**ARTICLE XVII HOLD HARMLESS CLAUSE**

17.1 The District agrees to hold harmless and defend any financial loss, including reasonable attorney's fees for actions arising out of any claim, demand, suit, criminal prosecution or judgment by reason of any act or failure to act by such employee, within or without the school building or work site, provided such employee, at the time of the act or omission complained of, was acting within the scope of his/her employment under the direction of the District.

ARTICLE XXI  RETIREMENT

21.1 Retirement at a mandatory age shall only be as required by law.

ARTICLE XXII  LEAVES

PREAMBLE: The Employer and the Union mutually agree that Article XXII shall be interpreted to include Paid Sick Leave rights to all eligible employees at a minimum as established by the Washington State Legislature pursuant to RCW 49.46.210 and Washington State Paid Family Leave as established by the Washington State Legislature pursuant to RCW 50A.04.

22.1 Sick Leave - At the beginning of each work year, each employee will be credited with twelve (12) days of illness, injury or emergency leave, which will accumulate from year to year and such accumulated leave may be taken at any time during the year, but for purposes of payment for unused illness, injury and emergency leave shall not exceed twelve (12) days per year.

22.1.2 For each day's absence beyond accumulated illness and/or injury leave days, a deduction of a full day's per diem shall be made.

22.1.3 The District may require an employee using illness or injury leave to provide the District with a physician's certificate stating that such leave was taken for medical reasons. Failure upon demand to provide the District with said certificate may result in a salary deduction.

22.2 The accumulated days of illness, injury and emergency leave may be used as emergency leave, provided that such emergency leave is used for serious, essentially unavoidable, where preplanning is not possible, of major importance, and not for the mere convenience of the employee such as:
Serious illness or injury in the immediate family;

Court appearance or hearing in which the employee is an individually named defendant or respondent;

Birth of a male employee’s child; or

Disaster created by forces of nature having serious deleterious effects upon the employee's property, health or family safety.

22.3 Illness, injury and emergency leave days shall be allotted on a pro rata basis for employees entering service during the year.

22.4 Unauthorized use of illness, injury or emergency leave by an employee shall constitute cause for disciplinary action.

22.5 Personal Leave - The District shall grant each employee two (2) days per year of personal leave with pay, accumulative up to six (6) days.

22.5.1 Whenever possible, an employee desiring to take personal leave shall submit a written request for such to the Manager of Graphics and Distribution briefly explaining the reasons.

22.5.2 An employee desiring personal leave immediate to a vacation or holiday period shall submit a written request for such to the Manager of Graphics and Distribution briefly explaining the reasons.

22.5.3 Employees whose religious affiliation requires observance of mandatory holy days during the work year and during work hours shall be granted one day of leave for this purpose. An employee may also use personal leave for such purposes.

22.6 Bereavement Leave - Each employee shall be allowed a maximum of five (5) days leave with pay to make arrangements for and/or attend a funeral in case of death of a member of that employee’s immediate family (husband, wife, mother, father, son, daughter, brother, sister).

22.6.1 Each employee shall be allowed a maximum of three (3) days leave with pay to make arrangements and/or attend a funeral in case of death of that employee's son-in-law or daughter-in-law, mother-in-law or father-in-law, grandmother or grandfather.

22.6.2 Each employee shall be allowed one (1) day's leave per year with pay to attend any other funeral.

22.6.3 This bereavement leave is not deducted from sick leave and is not accumulative.

22.6.4 In certain cases, bereavement leave may be extended with emergency leave as described, personal leave and/or vacation days upon appropriate approval from the appropriate supervisor.

22.7 Leave of Absence - Upon written request by an employee, the Superintendent or designee may grant leave of absence without pay for such things as: illness, family emergency, maternity, education, other special situations. Dependent upon District needs, more than one (1) individual may be on a general leave at any one time.

22.7.1 The leave of absence of any employee on leave for reasons other than military service will terminate at the end of the school year in which such leave was granted. Additional leave time may be granted up to a period of one (1) additional year.
22.7.2 Except for military service there shall be no other employment while on leave without prior written approval of the Superintendent or designee.

22.7.3 The Employer shall state in writing the terms of the leave of absence.

22.7.4 The Employer may agree to re-employ the employee earlier than intended upon written request or give consideration for any opening for which the employee is qualified.

22.7.5 Employee benefits earned prior to a leave of absence will be reinstated and/or maintained upon re-employment. Seniority shall be frozen during such leave.

22.7.6 Employees may continue their insurance benefits at the group rate while on leave at the employee's own expense as allowed by the insurance carrier.

22.8 Legal, Military Service and Jury Duty Leave - Subject to the approval of the Superintendent or designated representative, and in accordance with applicable law, absence shall be approved when the interest of the Employer is served, for jury duty, or subpoena and military reserve commitments.

22.8.1 An employee who is excused from jury duty less than four (4) hours after his/her jury reporting time shall notify his/her immediate supervisor. He/she may be required to report to work if there are at least four (4) hours remaining in his/her regularly scheduled work day; provided, the employee shall have at least twelve (12) hours off duty. In the event the employee must change clothes before reporting to work, the employee and the supervisor shall agree on a reasonable reporting time.

22.8.2 There will be no deduction in the employee's compensation for jury duty or subpoena court appearance when the employee is not the defendant or plaintiff in said lawsuit. Any compensation received for this duty shall be retained by the employee to cover allowable expenses.

22.8.3 Reimbursement for approved Military Reserve Duty shall not be required.

22.9 Childbirth/Childrearing/Adoption Leave - Employees shall be granted leave without pay for the purposes of childbirth and/or child rearing according to the following provisions.

The written request for such leave shall include, (1) the anticipated date of birth, (2) the estimated date that sick leave is to begin, (3) the estimated date childbirth leave is to begin.

22.9.2 The employee may continue to work until, in the judgment of the immediate supervisor and the personal physician, the employee's work or health is in any way impaired.

22.9.3 Sick leave shall be granted up to accumulated leave allowance. Such leave shall extend no more than thirty (30) calendar days following childbirth unless the employee's physician certifies that the employee is unable to perform the normal duties as an employee. Childbirth leave shall commence following such sick leave or earlier at the employee's discretion, but shall not occur simultaneously.

22.9.4 Childbirth leave may be extended until the beginning of the school year following birth of the child. Additional leave for childcare may be extended to the September following the next school year if the employee, the employee's immediate supervisor and the Director of Human Resources mutually agree.
22.9.5 An employee requesting leave for adoption or permanent custody of a child shall give written notice to the Director of Human Resources no later than thirty (30) days prior to the date such leave is requested to begin. In emergent situations, this provision shall be waived.

22.9.6 An employee granted any of the above leaves who desires to return to duty during the period of leave may return if the employee's immediate supervisor and the Director of Human Resources mutually agree.

22.10 During any of the above leaves, the employee shall accrue seniority, salary experience increments, or other credits only to the extent as such are affected by sick leave.

22.11 An employee may apply for child rearing leave to care for children of any age under the provisions of General Leave.

22.12 Employees on leave under this Article may continue their insurance benefits at the group rate while on leave at the employee's own expense as allowed by the insurance carrier.

ARTICLE XXIII RATES OF PAY

23.1 During the term of this Agreement, the hourly rates of pay for employees shall be set forth in Appendix "A", attached to this Agreement for the various classifications.

23.2 Should the date of adoption of this Agreement be subsequent to the effective date, salaries, including overtime and increments, may be retroactive to the effective date. Retroactive pay, where applicable, shall be paid on the first (1st) or second (2nd) regular payday following adoption of this Agreement.

23.2.2 Employees shall receive their regular monthly salary by the first working day of the month.

23.2.3 Upon an employee's separation from employment, the employee's final paycheck will be automatically deposited into the account on record with payroll. The employee will have access to the Employer's on-line system for viewing employee pay until the date of the final deposit.

   It is the intent of the Employer that any error in an employee's paycheck shall be corrected by the Employer within a reasonable period of time and not later than the fifteenth (15th) of the month or the next regular payroll, whichever is sooner, from the time the error was brought to the Employer's attention.

23.3 Wage Underpayment and Overpayment – In the event an underpayment error is confirmed, the Employer will correct the error within five (5) Business Days of confirmed underpayment, or with mutual agreement with the employee at a later date, but in no event later than the employee's next paycheck. In the event of an overpayment, the employee will work together with the District regarding the repayment. The employee will be provided written documentation of the overpayment and an explanation of how the overpayment occurred. Repayment will generally occur over the same period of time in which the overpayment of wages occurred but will not exceed what is allowable under State Law(s) specific to public employees. The Parties mutually agree it's in the best interest of the Employer and Employees not to cause a financial hardship when repayment occurs. The Employees will access the Employer’s online systems to view and/or print their Leave and Earning Statements.
ARTICLE XXIV   ATTENDANCE INCENTIVE PROCEDURES

24.1 All employees of the bargaining unit shall receive compensation for eligible accumulated illness and injury leave as an Employee Attendance Incentive Program. Compensation and procedures shall be pursuant to Washington State Law for school employees as identified in RCW 28A.400.210.

The Committee shall recommend in service opportunities to the District based upon (1) budget, (2) group needs as identified through a survey and (3) individual in service needs based upon job related duties and/or personal growth.

ARTICLE XXVI   GRIEVANCE PROCEDURE

26.1 The purpose of this Article is to provide for a mutually acceptable method for prompt and equitable settlement of grievances and disputes over the interpretation and application of the terms of this Agreement.

26.2 A grievance is an alleged violation or misapplication of a specific Article or Section of this Agreement as it affects employees in the bargaining unit.

26.3 An employee, shop steward or the Union may institute a grievance. The following procedures for pursuing an alleged grievance shall be as follows:

26.3.1 STEP I - Within ten (10) working days of the time a grievance arises, an informal conference over the matter shall be held between the immediate supervisor, the employee, and the shop steward. The Shop Steward is required to notify the supervisor they are having a Step I grievance meeting. The parties involved in the informal conference shall attempt to resolve the matter for up to two (2) working days.

26.3.2 STEP II - If the grievance is not resolved at Step I, the grievant and shop steward will fax or mail a written grievance to the Union on a form provided by the Union. The Union may within ten (10) working days of the conclusion of the settlement period of the informal conference reduce the grievance to writing and present it to the Manager of Graphics and
Distribution. The written statement should include (1) the nature of the grievance, (2) the Section(s) alleged to have been violated, (3) the recommended solution to the grievance.

Within ten (10) days of receipt of the written grievance, the Manager of Graphics and Distribution shall meet with the Union, grievant and shop steward to attempt to resolve the grievance. The parties involved in the Step II meeting shall have five (5) working days to resolve the grievance.

A grievance not resolved pursuant to Step II may, within five (5) working days of receipt of the written response in STEP II, be submitted in writing by the Union to the office of the Superintendent.

26.3.3 STEP III - Within ten (10) days of receipt of the grievance, the Superintendent or designee shall meet with the Union, grievant and shop steward to attempt to resolve the grievance. The parties involved in the Step III meeting shall have five (5) working days to resolve the grievance.

If the grievance is not satisfactorily resolved, the Union may, within ten (10) working days of receipt of the written response, proceed to mediation and/or arbitration as provided hereafter.

26.3.4 STEP IV - Mediation of Grievances - The Union and the District may jointly agree to submit the grievance to mediation in lieu of arbitration in accordance with the following provisions:

A. Mediation of a grievance shall be scheduled only on the basis of a joint request for mediation by the Union and the District made within five (5) working days after the Union has referred the grievance to STEP IV, unless the parties mutually otherwise agree in writing.

B. The parties need to agree to the mediator.

C. One (1) representative for each party shall present its position to the mediator, provided that the grievant shall have the right to be present at the mediation conference.

D. The parties' representatives may, but are not required, to present the mediator with a brief written statement of the fact, the issues and the arguments in support of their position. If such a statement is not presented in written form, it shall be presented orally at the beginning of the mediation conference.

E. Proceedings before the mediator shall be informal in nature. The rules of evidence shall not apply and no record of the mediation conference shall be made.

F. The mediator shall have the authority to meet separately with any person or person, but shall not have the authority to compel the resolution of a grievance.

G. If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory decision which shall include the basis thereof, unless both parties agree that no such decision shall be provided.

H. The mediator's advisory decision, if accepted by both parties, shall not constitute a precedent, unless both parties otherwise agree.

I. If no settlement is reached at mediation, the Union is free to arbitrate the grievance, provided he/she advises the District in writing within ten (10) working days.
J. In the event a grievance, which has been mediated goes to arbitration, the mediator shall not serve as the arbitrator. Nothing said or done by the mediator shall be referred to or introduced into evidence at the arbitration hearing and nothing said or done by either party in the mediation conference shall be used against the other party in arbitration.

K. The fees and expenses of the mediator shall be divided equally between the District and the Union, provided however, that each party shall be responsible for compensating its own representatives.

26.3.5 **STEP V** - If the Union is not satisfied with the disposition of the grievance at the preceding level, or if no disposition has been made within the period above, provided, the grievance, only at the option of the Union, shall be submitted before an impartial arbitrator. The Union shall exercise the right to arbitration by giving the Superintendent or designee written notice. If the parties cannot agree as to the arbitrator within five (5) calendar days from the notification date, that arbitration shall be pursued. The arbitrator shall be selected by the Federal Mediation and Conciliation Service (FMCS), in accordance with its rules, which rules shall likewise govern the arbitration proceeding. The District and the Union shall not be permitted to assert in any such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The decision of the arbitrator shall be final and binding upon both parties.

The arbitrator shall have no authority to amend, change, alter, or otherwise modify the Labor Agreement between the parties. Likewise, the arbitrator shall have no authority to substitute his/her judgment for that of one of the parties where the Labor Agreement expressly grants discretionary authority to one of the parties. Should the arbitrator find a judgment was made by one of the parties in an arbitrary, capricious, or illegally discriminatory manner, the arbitrator has the authority to order the party to reconsider its judgment to correct the abuse of discretion so found.

All costs incurred in the arbitration process shall be paid by the losing party. If partial relief is specified for one or both parties, the arbitrator shall make an award allocating cost.

26.3.6 If the employee or the Union does not pursue the grievance to the next STEP within the prescribed time limits, it shall be presumed resolved. If the Employer does not respond within the time limits at any one of the STEPS, it shall automatically move the grievance to the next STEP; provided however, the Union shall determine whether the matter is advanced formally to the next Step. The Union and the District may mutually agree to extend and/or waive any timeline contained in this Article.

**ARTICLE XXVII HEALTH AND WELFARE**

27.1 The Employer and the Union agree Article XXVII, benefits provided, and eligibility shall be in compliance with applicable Washington State Law(s) related to healthcare benefits for School Employees as established by the School Employee Benefits Board (SEBB) and as administered by the Washington State Healthcare Authority (HCA) and/or similar statewide jurisdictions.

27.6 VEBA - The Employer and Union will participate annually subject to a vote of the employees in the Voluntary Employee Benefit Account (VEBA) for eligible employees retiring or separating from service between September 1 and August 31 of each year.

The DCP is a supplemental retirement plan that offers District employees control and flexibility over their individual investments while reducing taxable income. The plan provides an option to the employee to invest income from their monthly salary on a pre-tax basis in an amount authorized by the individual employee. The Department of Retirement Systems administers the plan.

ARTICLE XXVIII WORK STOPPAGE

Agreement Regarding Terms of Employment and
Delivery of District Services Impacted by the COVID-19 Crisis

The District and Association agree upon this Memorandum amidst the COVID-19 pandemic in order to resolve questions regarding employment and District services in this unprecedented time.

For the 2020-21 school year, the Northshore School District is planning a sustainable and flexible online/remote-only instructional model. There are also potential stages for in-person/online hybrid models that would allow education to pivot at any time between remote, hybrid and in-person learning. These stages will be determined by the impacts of a changing health situation, available resources, and direction from OSPI, our Governor and our Health Department(s). As the public health situation continues to evolve, the District and the Teamsters Local Union No. 763, representing Warehouse, Sludge and Garbage Truck Drivers and Delivery Driver/Helpers will continue to work together to implement these models. Our model of reopening schools, including all potential hybrid learning models, will prioritize the health and safety of our students, staff and entire district-community, positive and justice-driven educational outcomes, the social-emotional needs of students and staff, and thoughtful financial stewardship.

1. Health and Safety: District wide health and safety protocols will be designed to comply with guidance of all applicable public health agencies. Strict compliance with all relevant District safety and health rules will be an essential function of each employee’s job. Effective on the date of this MOU, the Northshore School District Health and Safety Protocols are described in Appendix C.

2. Compensation: Unless in a situation where the state legislature in special session acts to reduce the 2020-21 district revenues, permanent employees and those employees hired into permanent positions on probationary status, Long-Term Substitutes, and Temporary Employees will continue to be compensated under the terms of the Collective Bargaining Agreement. There shall be no reduction of compensation so long as the work related to the contract is appropriately adapted to the learning platform or assignment.

3. Leaves: COVID-19 presents unique health, family, disability and staffing challenges for the District and its employees. The following provisions are included to provide clear, objective, and practical options for the District and the employees facing those challenges. In all cases, strict compliance with all relevant District safety and health rules will be an essential function of each employee’s job.
