A NEW SEMESTER!

We have the first semester behind us! Report cards will be available online through Skyward after 3 pm on Friday, February 5th. To see your child's report card, just log into your skyward account and choose portfolio. Our goal is to be paperless, but if you still need a paper copy please let your child's teacher know. You should be very proud of the hard work your student is doing. Thank you for partnering with us in their education.

Student Led Conferences Are Coming March 11th

This will be our third year with Student Led Conferences. In place of the traditional parent-teacher conference that normally takes place at the end of 2nd quarter, your child will lead a conference with you on March 11th to reflect on his or her progress, show you his or her work, and receive feedback. Your child(ren) have the opportunity to share the details of their school day, their academic and behavioral progress, as well as share their goals for the remainder of the school year. You will hear directly from your child about what they love, what they believe are challenges and what steps they are taking to overcome these challenges.

Your presence will be vital to our SLC process. Please join us in making the Student Led Conferences a HUGE success.

You will be receiving a Sign Up Genius link from your child's teacher. The conferences will be 20 minutes and we are asking that no more than two adults accompany the student. We will be providing child care during the conference for student siblings.
