## Vacancy for Education Governor

We are currently inviting applications to join the DESS Board of Governors. The Board is seeking governor candidates with the following skills and backgrounds to complement existing competencies:

- Experience and Qualifications within an Educational background. (Ideally a Primary or Preparatory School)
- Commitment to improving education for all pupils.
- Understanding of current UK Education Policy, especially Curriculum.

The Board of Governors works in partnership with the DESS Senior Leadership Team, contributing to the long-term success of the school and our children. Being part of the Board is a rewarding experience but involves a significant time commitment. Governors attend a Full Board meeting once every 1-2 months as well as participating in a Sub-Committee (which involves approximately 1 shorter meeting every term). Time spent in school as a Governor will also be expected for particular events and meetings.

The Governing body aims to drive high standards throughout the school through promoting and maintaining the schools ethos, strategic direction and providing sound financial guidance.

If you believe that you have the right skills, energy and commitment required we would love to hear from you.

To apply, please send your CV and a covering letter outlining your experience to Anita Lansdown, Clerk to the Board of Governors: [alansdown@dess.org](mailto:alansdown@dess.org) by 1 pm Thursday 25<sup>th</sup> February 2021.
