## Special Mentions

Paige Allen for producing lots of lovely work as well as challenging herself to improve her baking skills for her family to enjoy!

Maisie Hancock for painting a wonderful picture of Captain Sir Tom Moore after hearing the devastating news of him passing away.

Isaac Stewart for his amazing attitude towards his learning and making an awesome firework display on Minecraft!

### Task:

I would like you to focus on your dreams and goals and create a vision board of all the things you would like to do. Get the whole family to one too!

### You will need:

Magazines, scissors, glue,  
paper/card/canvas

1. Write down all the things you would like to do, experience or learn.
2. Use magazines for words, phrases or images to match your goal/dream. (I have put some printable phrases on the blog). Cut them out.
3. Use a large piece of paper/card/canvas to create your vision.
4. Create a vision board showing what you want to achieve this year.

nice "work"! dream it.  
do it.
