**DESIGN TEAM**

**ARCHITECT:** Hollis + Miller Architects
1828 Walnut Street Ste 922
Kansas City, MO 64108
Phone: 816.442.7700
Fax: 816.599.2545

**SMSD PROJECT #:** G000
1. Repaint all parking lines, fire lane markings, no parking markings, and crosswalk markings as required by new work.

2. Remove all curb to sidewalk expansion material. Provide new backer rod and sealant.

3. This sheet is intended to be printed in color to accurately identify project scope.

4. Refer to Division 32 for paving specifications.

5. Contractor to field verify all areas prior to bid for quantities and field conditions.

6. Pavement reconstruction may require soil to be removed from the site.

7. All asphalt and paving materials and installation shall meet all standards of APWA Section 2200 Paving.

8. Fine grade and seed all disturbed areas.

9. Quantities and locations for full depth repair are for bidding purposes only. Contractor shall verify by survey, and neglect prior to the start of work.

10. Under all of the above to grade, compact, and establish pavement finish.

11. Surface asphalt mix shall be type 3, 10% recycled.

GENERAL NOTES
