School Accountability Report Card Reported Using Data from the 2019–2020 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-21)

Construction for George Lincoln Mosher Elementary School began in November of 2005. During the construction phase, the principal and his secretary were housed at Larson Elementary, utilizing a classroom as their temporary office. A portable was placed at the Mosher site in June of 2006 to serve as the temporary office on site until the main building was completed and the office staff could be moved in. George Lincoln Mosher was opened on July 31, 2006 with 7 classes in portables on the Mosher site, 4 classrooms located at Davis Elementary School, 4 classes located at Westwood Elementary School, and 1 class located at Parklane Elementary School while the main building for Mosher was being completed.

The entire staff and student body were moved to Mosher's main building upon its completion on January 8th, 2007. It consists of a library, computer lab, cafeteria/multi-purpose room, administrative offices, 7 portables, and 26 classrooms.

While at the off campus sites and when the entire faculty staff came to Mosher, we immediately began building relationships with each other at all sites and as a Mosher staff. The faculty discussed expectations and encouraged parents to become an active part in the education of their children, as our goal is to have "Professional" students who will be responsible citizens in the school and community as productive members of society.

We formed programs that are based upon high academic standards designed to increase all students' achievement. We promote high self-esteem, student self-management for future leadership, and accept support from parents for student success by working collaboratively with each other to achieve the goal of academic and social success.

To achieve this student success and meet State Standards, we have included curriculum in Language Arts, Mathematics, Social Studies, Science, Physical Education, Multicultural Education, English Language Development, and Fine Arts for all students.

In order to establish and maintain a high positive learning environment, the faculty and staff expect acceptable academic goals, expectations, and discipline behaviors to be clearly defined and communicated to all so that students can practice using good judgment, develop a sense of responsibility, and show respect and courtesy towards themselves, peers, staff, and community.

Our mission is: At George Lincoln Mosher ES, state and district priority standards guide staff in the school-wide goal of increasing student achievement and to create the ideal learning environment. We are committed to a mission that implements a rigorous academic program which promotes advanced achievement for all students and provides staff development which supports our goal of increased achievement as well as including parents in the teaching/learning process. Students will develop positive citizenship using Lifeskill and Life – Long Learning Guidelines.

The entire staff pledges itself to work towards ongoing celebration of diversity which creates a sense of community that promotes making healthy choices, challenging creativity, and enables all students to be successful, lifelong learners.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Built in 2006.

MAINTENANCE AND REPAIR:

The Mosher School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works regularly with the custodial staff to maintain schedules that ensure a clean and safe school.

DEFERRED MAINT ENANCE PROJECT S: N/A

MODERNIZATION PROJECT S: 2013 Re-painted exterior of school and concrete tilt-up walls. 2017 Completed Prop 39 Year 2 Lighting Retrofit Services Project.

NEW SCHOOL CONSTRUCTION PROJECT S: N/A

Data on school facilities was collected for Mosher (George Lincoln) on 10/8/2020.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2020, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Mosher (George Lincoln). These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018–2019	School 2019–2020	District 2018–2019	District 2019–2020	State 2018–2019	State 2019–2020
English Language Arts / Literacy (grades 3-8 and 11)	46.0%	N/A	45.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	41.0%	N/A	34.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2020–2021)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 11/13/2019.
