School Accountability Report Card Reported Using Data from the 2019–2020 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-21)

The Lawrence School Community is committed to providing a learning environment that promotes rigorous teaching, learning and promotes high academic expectations for all learners. We believe that all students can achieve to a higher level of learning if the learning environment is academically challenging, safe, and nurturing. At Lawrence, we believe the learner needs to take responsibility for their learning in order for the student to academically challenge him/herself to do the best that they can do in school and in life. The school provides a learning community that promotes quality education and critical problem solving skills to all learners through a challenging and standard based district adopted curriculum.

The Goals for Lawrence Elementary are:

- Increase student proficiency in English Language Development - Increase student proficiency in Language Arts
- Increase student proficiency in Math
- Increase parent participation

To prepare the school and students to have high expectations for all learners, the school has an instructional Leadership Team (ILT) that has teacher representation from all grade levels. The ILT meets monthly or when needed to support teachers, students and parents. The purpose of the ILT is to monitor school data such as: academic, discipline, attendance and school safety. The data provides information to the staff by developing effective strategies that will promote student/school success.

School wide all grade levels will analyze data to determine student weakness in reading, math, language arts and English language development. Teachers will meet with admin and literacy/ELD coaches to align power standards with core curriculum themes, and develop strategies that will maximize instructional time.

Three times during the school year, the school holds grade level data conferences to implement, modify instructional strategies in subject matter to support student academic needs. The school implements the core curriculum with fidelity and direct, explicit instruction is taught through the school day. Teachers work with small groups of students during UA time to reteach skills or to academically challenge students. The school is fully implementing standard base system and doing on-going monitoring of assessments for delivery of instruction.

Response to Intervention (RTI) is a Three-Tiered Model Intervention Program that identifies students who need intervention before the student becomes eligible to receive RSP services. RTI model is being implemented at the school and will work closely with the school counselor, psychologist, special ed., teacher and admin to ensure the needs of the student are being met before they are eligible for special ed services. The Identification/Intervention involves the IST meeting. Students can be identified for academics, behavior, emotional and attendance. The IST operates on standard base, and is driven by standardized and formative student assessment data. The team meets weekly during the month.

Association committees. Parent / Teacher Newsletters are provided to the families monthly and are translated in Spanish. The school holds monthly informational meetings for the Lawrence families and free child care is available for the meetings. An increase number of school and teacher newsletters, brochures and announcements are keeping parents informed about the school events.

Lawrence Elementary School is located in the northeast section of the city of Lodi and shares the same site as the School Readiness/Preschool Services Children's Center. Originally built in 1960. The school is on a Modified Traditional schedule. There is one full time Principal, one half time Vice Principal and 24 full-time general education classroom teachers, 1 Resource Specialist, 4 Special Education Preschool Teachers, 1 Full-Time Intervention/Literacy Teacher, and Full-Time Counseling.

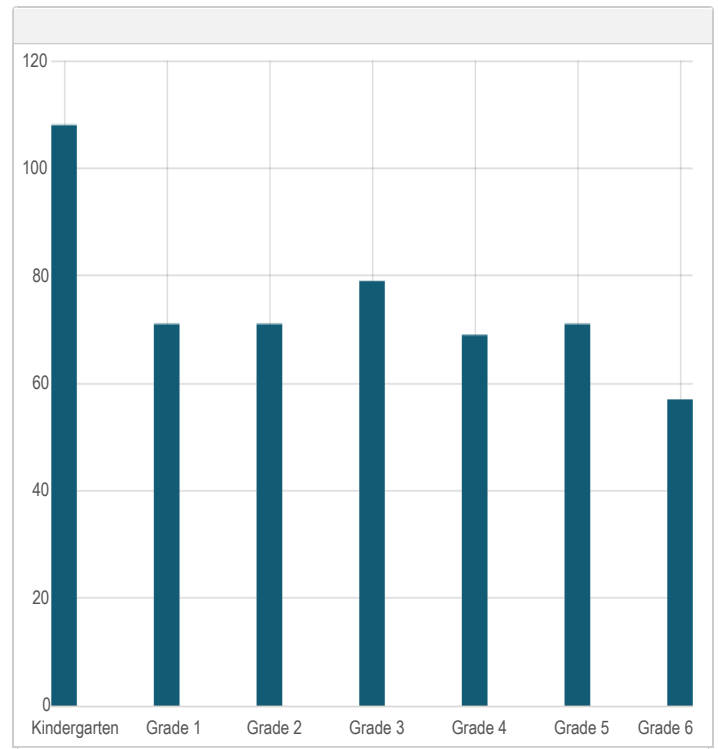

Programs offered at the school include: Library, Gifted and Talented (GATE), and classroom computers. Other programs include: Healthy Start, After School tutoring, Lodi BRIDGE Program, and SIPP.

The Lodi/Tokay Rotary Club has adopted Lawrence School representative attend awards assemblies at which time students are recognized for regular attendance, academic growth and positive social interaction.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

This school sits on seven acres and was built in 1960/1972. It began with seven classrooms, an office, a multi-purpose room and a trailer, which was used for storage. Twenty portables were added between 1982-1999. In 1985, a new toilet portable was added. A new multi-purpose room was built in 2000 along with a portable to be used for the Healthy Start program. In 2003, the school added two more portables and re-located two additional to the site. Recently the entire school has been renovated and we no longer have portables on site.

MAINTENANCE AND REPAIR:

The Lawrence School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2011 Remodeled main building, added more new classroom wings and new parking lot. 2015 Added access control and cameras.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Lawrence Elementary on 10/8/2020.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2020, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lawrence Elementary. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018–2019	School 2019–2020	District 2018–2019	District 2019–2020	State 2018–2019	State 2019–2020
English Language Arts / Literacy (grades 3-8 and 11)	36.0%	N/A	45.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	26.0%	N/A	34.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

This section provides information about opportunities for parents to become involved with school activities. Parents who wish to be a partner in the learning of their child(ren) education are welcome to join and participate in Lawrence Elementary: leadership teams, school committees, school activities, or become a volunteer in the classroom may contact Principal J. Carlos Villafana at (209) 331-7356.

Parents are invited to join School Site Council (SSC), English Language Advisory Committee (ELAC) and Parent Teacher Association (PTA). Parents have the opportunity to participate in the development of the Single Plan for Student Achievement (SPSA) Safe School Plan and Parent Involvement Plan. There are a variety of parent education and family nights. These include: Back-to-School and Open House, Family Literacy Night, Family Math Night.

Suspensions	0.57%	4.86%	--
Expulsions	0.19%	0.14%	--

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 12/02/2019.
