School Accountability Report Card Reported Using Data from the 2019–2020 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-21)

Vinewood Elementary School is located on the corner of Tokay and Virginia Streets in the southwest portion of Lodi, California. Vinewood School first opened to students in 1966. Vinewood School follows a Modified Traditional calendar and is a uniform school. Vinewood staff works hard to provide a safe environment for our students to learn. We have seasoned and experienced certificated and classified staff who are caring, nurturing, confident, and dedicated.

Mission Statement

Vinewood Elementary School is committed to student achievement in which high expectations, critical thinking skills, evidence based inquiry, character education and lifelong learning is emphasized. We are a parent driven community with enthusiastic parent volunteers. Our Parent Club works in collaboration with our teachers. We believe that when instruction meets students' needs (differentiation), students academically excel. We strive to always do what is best for kids!

Vision Statement

Vinewood School is place of excellence where teachers and staff deliver high-quality instruction, and with parents as partners, students can achieve full potential in their academic, creative, and personal development. Our Vision is to have the best and brightest teachers and support staff.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:
Year built 1966.

MAINTENANCE AND REPAIR:

The Vinewood School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2012 Replaced two HVAC multi-zones in office & kindergarten areas, completed roof overlay, and replaced various gates. 2015 Added access control, cameras & rod iron fencing for security. 2018 Intercom JIVE system completed.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Vinewood Elementary on 10/8/2020.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey Instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2020, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Vinewood Elementary. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018–2019	School 2019–2020	District 2018–2019	District 2019–2020	State 2018–2019	State 2019–2020
English Language Arts / Literacy (grades 3-8 and 11)	62.0%	N/A	45.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	59.0%	N/A	34.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

The Vinewood Parent Club sponsors many events and activities for children and their families. Also, they conduct fundraisers to support the school. Our Parent Club encourages all parents to get involved with school programs, activities, and fundraisers. A collaborative partnership exists between students, staff, community, and parents. You may contact our Parent Club President, Kelli Cantrell at (209) 331-7445 for more information on opportunities to become involved in our school.

Vinewood's School Site Council (SSC) consists of 10 members (five staff and 5 parent/community members) overseeing Vinewood's programs and budget for improvement. The Council welcomes all parents to attend meetings and regularly relays information to parents about school news or current activities. Our English Language Advisory Committee (ELAC) is charged to monitor and advise the staff regarding needs of our English Learners. The school's principal and the site's bilingual para-educator invite everyone to join in their once a quarter meetings.

Parent volunteers are welcome to work in the classrooms. For safety reasons, we do require all visitors to sign in at the office and receive a pass before moving about the school. Teachers are always willing to discuss the educational process with you, but cannot during instructional times when they are engaged in teaching the children. Please contact your child's teacher or the office for an appointment.

Parents who wish to participate in Vinewood's leadership teams, school committees, school activities, or become volunteers may contact Principal Ben Koh at (209) 331-7445.

School Safety Plan (School Year 2020–2021)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 11/14/2019
