Trust Land Updates-Mr. Stromberg (Carryover)

- 2020-2021 has been a complicated year with COVID. Some of our programs haven't been implemented due to COVID, causing an excess in trust land funds.
- These excess funds could possibly be used in technology updates, adding an additional study skill class and replacing outdated projectors

Report on Discussion with Student Body Officers

- Students were open with the discussion with strengths and weaknesses in the school
- Community Council suggested we share the information with our teachers and recognized that this was a small group who represented our student body.

Report

Review of School Improvement Plan and Goals

Teachers responded favorably to Mr. Stromberg's request for SIP goals in 2020-2021.

Marquee follow-up

Holly Reynolds contacted Centerville City Planning (Cory Snyder) about a marquee at Centerville Junior High. Centerville City has no jurisdiction over school property. Davis School District must approve the marquee before moving forward.

Holly Reynolds and Brynn Clinger will inquire to schools that have marquees and gather data. Davis School District has approved vendors that could assist with this project.

Motion to adjourn by Jennifer Carr and Ann Jeppesen seconded the motion.
