

SIMPLE RECYCLING (Pink Bags)

Simple Recycling is a program that offers residents a convenient way to recycle unwanted clothing and textiles and reduce taxes by removing these items from the waste stream.

IT'S SIMPLE! Follow these easy steps:

1) Fill the bag! Acceptable items include:

Clothing	Purses	Blankets	Silverware
Shoes	Toys	Curtains/Drapes	Dishes
Jewelry	Tools	Pillows	Pots & Pans
Sleeping bags	Backpacks		

2) Put the bag out bright and early (before 7:30 AM) on your regular recycling collection day. Bags do not go into recycling carts. Place on the ground and at least 3 feet away from the refuse and recycling carts.

3) The Simple Recycling drivers will pick up your bags and leave replacement bags behind. Drivers will either tie the bags to the carts or, if they are not available, will tie them to a fence, railing or door.

The Town of Vernon and Simple Recycling encourage residents who are committed to donating unwanted clothing and textiles to charities to continue to do so. These non-profit organizations provide important employment and social services to our community. Please note that Simple Recycling does not issue tax-deductible receipts.

Residents who need additional bags, have questions about the program or would like to report a missed pickup, please call Simple Recycling at (866) 835-5068 or check out their website - simplerecycling.com.
