

RETURN TO IN-PERSON LEARNING: ELEMENTARY SCHOOLS

We are excited to welcome your child to the classroom!

Here is some information about what you can expect during your child's in-person experience.

BEFORE COMING TO SCHOOL

- Parents and guardians will complete the Student Health Screening Questionnaire and keep students home if the answer to any of the screening questions is "YES."
- Parents and guardians will make sure their child has a comfortable mask that covers the nose and mouth.
- Parents and guardians of bus riders will make sure their child is wearing a mask before boarding the bus.
- **While every child should bring a mask to school, we will provide masks for students who need them.**

WHEN YOU GET TO SCHOOL

- Parents and guardians will drop-off their child at the school entrance; drivers should stay in the car.
- During the first week, teachers and staff will meet students at the door and walk them to classrooms.
- Students will be required to have their masks on before entering the building.
- Parents and guardians will not be able to enter the building; older siblings who attend the same school may walk their younger siblings to class.
