We are excited to welcome your child to the classroom!

Here is some information about what you can expect during your child’s in-person experience.

BEFORE COMING TO SCHOOL

- Parents and guardians will complete the Student Health Screening Questionnaire and keep students home if the answer to any of the screening questions is “YES.”
- Parents and guardians will make sure their child has a comfortable mask that covers the nose and mouth.
- Parents and guardians of bus riders will make sure their child is wearing a mask before boarding the bus.
- While every child should bring a mask to school, we will provide masks for students who need them.

WHEN YOU GET TO SCHOOL

- Parents and guardians will drop-off their child at the school entrance; drivers should stay in the car.
- During the first week, teachers and staff will meet students at the door and walk them to classrooms.
- Students will be required to have their masks on before entering the building.
- Parents and guardians will not be able to enter the building; older siblings who attend the same school may walk their younger siblings to class.

WHEN YOUR CHILD GETS TO THE CLASSROOM

- Students will be assigned to a “pod” with 3-4 other students and will stay with their “pod” throughout the day.
- Students will safely remove their masks to eat breakfast in the classroom.
- After breakfast, students will put their masks back on and begin learning.

WHEN THE SCHOOL DAY ENDS

- Parents and guardians will pick-up their child from the designated area; drivers should stay in the car.

STUDENT MASK REQUIREMENTS

- Masks must cover the nose and mouth.
- Masks must be worn any time or place where other people are present.
- Bandanas, handkerchiefs, fleece balaclavas, neck gaiters (without filters), or any other piece of cloth tied with an opening at the bottom are not allowed.

Parents will be notified for the first two incidents of students not following mask requirements; a third incident results in students returning to distance.

ACCEPTABLE MASKS

- Homemade masks
- Surgical/procedural masks (tie or ear loop)
- Dust masks
- N95 masks without vents

While every child should bring a mask to school, we will provide masks for students who need them.
