## Message from the Leadership Team

Families, I was reflecting on my years in education (20 this year 😊) and wondering why I have felt so energized and recharged this year. It is an incredibly challenging year, but literally EVERY day I look forward to coming to school. The short answer is this: I truly love the children at YES Prep NCE! Every child who attends virtual or in-person classes brings joy and enthusiasm to their classroom. Every child at NCE has unique gifts and talents. As a principal, I get to interact with in-person children every morning at arrival and I get to spend time with virtual students regularly as I visit those online classrooms. Our students are precious. In a time when there is so much uncertainty, I deeply appreciate that you entrust your child to YES Prep North Central Elementary ☺ We not only have the best students, we have the best families. Have a great weekend!

We also celebrated our quarter 2 awards with students and hope you were able to watch the videos on Class Dojo. We are incredibly proud of all of the work of our SPARKS! We hope you enjoy these pictures highlighting events of the week.
