

Community Pledge

*As a community, we belong one to another, and we are stronger together than alone. It is up to each of us to take measures on campus, at home, and in all aspects of our lives to keep us safe as a community. Our work together will control transmission, sustain our on-campus learning experience, and do our part to protect those most vulnerable to COVID-19. **We request that all families returning to campus commit to these responsibilities by digitally signing the pledge, which will be sent to families before the start of in-person instruction.** All Drew Charter School employees and business partners will be asked to make the same commitment.*
