Course Catalog 2018 - 19

UNDERSTANDING THE COURSE CATALOG

<i>/GEOMETRY</i>		Name of Course
<i>MGE100A/B</i>		Course Code
<i>Length/Credit: Full Year/1 Credit</i>		Length of Course/Number of Credits
<i>Grades: 9, 10, 11</i>		Which grades can take the class
<hr/>		
<i>Prerequisite: Completion of Algebra 1 or concurrent enrollment in Algebra and Geometry</i>		Prerequisites
<i>Equipment: A scientific calculator is suggested but not required.</i>		Equipment
<i>Diploma Category: M2</i>		Diploma category

Students will formalize their reasoning skills to write proofs built on definitions, axioms, and theorems. Students will study parallel and perpendicular lines, triangle properties, quadrilateral properties, and properties of other polygons and circles. Other topics that will be studied are similar and congruent figures, right triangle trigonometry, coordinate geometry, geometric transformations, area, surface area and volume of three-dimensional figures.

Your Course Planning Sheet

How Should You Fill It
out?

- 1. Start with required classes**
- 2. Consider the recommended classes**
- 3. If you still have room, pick some electives**
- 4. Make sure you write in several alternates with their code**
- 5. Confirm you have selected exactly 7 credits not including your alternates**

Your 2021-2022 planning sheet can be found in the following places:

- ▶ **1. Your student email**
- ▶ **2. The counseling website**
- ▶ **3. The schoology page for the class you watch this video in**

Planning:

Students plan courses using the provided electronic planning sheet. This is for planning purposes only and will not be turned in

Enter course selections

2/10 through 3/3 Students enter course selections on StudentVue

Family Registration Night

Will be held on Zoom Thursday, February 25 at 6pm

Finalize Course Entries

Students will confirm course entry on StudentVue during Eagle Time on 3/3.

Absolute Deadline

All course requests must be entered by March 4th

How do I add my course choices into StudentVue?

You can find the instructional video in any of the following places:

- 1 Your student email
- 2 The NCHS Counseling website under Registration
- 3 The Schoology page for the class you watched this video in
