Thursdays from 4:30-6:30pm

Join us for the beginning of a new D&D adventure! Within the walls of Waterdeep lies a tavern built atop one of the most dangerous and difficult dungeons of the D&D world, the Yawning Portal. Many an adventurer has been lowered into the old magetower ruins to seek their fortune, but few ever return from its dangerous depths. In order to brave its troublesome corridors, you'll have to prepare yourself by fighting through quests given by the tavern's ever growing customer base, searching for an adventurer, like you, to solve their many problems.
