# FRIENDLY HILLS

## Middle School

### Get to know Friendly Hills!

- #1 Friendly Hills teachers strive to build relationships with students while challenging them to reach their highest potential academically.
- #2 Our inclusive, responsive learning environment is based on respect, responsibility, relationships, and readiness.
- #3 Computers, tablets, and other forms of technology are abundantly available, enabling our teachers to engage students with interactive, engaging lessons.
- #4 Recent renovations and additions to Friendly Hills Middle School were focused on student learning spaces.
- #5 Flexible learning spaces throughout our school inspire students to collaborate and think critically in small groups and large groups.

## About Us

We prepare, challenge, and empower!

Friendly Hills Middle School  
701 Mendota Heights Rd., Mendota Heights, MN 55129

*“While providing a high level of academic rigor, Friendly Hills has also encouraged self-advocacy, independence, and critical thinking for our kids. Teachers and staff are not only caring for the kids in the school today, but are working to prepare them for life.”*

— Sarah Larsen, Parent

# HERITAGE E-STEM

## Magnet School

### Get to know Heritage!

- #1 We bring science to life! Our students learn how to ask questions, solve problems, and work with others.
- #2 We love learning how our students learn. We want to help our students succeed in everything they do.
- #3 We are all a part of a thriving, healthy ecosystem. We have a positive, welcoming environment where every student belongs.
- #4 We ignite our students' curiosity. Whether they are interested in art, music, science – even fish! – we have something for everyone.
- #5 Middle school is our jam!

“From the moment you walk in the door, you can feel the positive energy of each and every member of the staff at Heritage. From the smiling faces in the office, to walking down the hallway and hearing teachers greet students by name and saying something positive to each one of them, this positive energy gives students the guidance to become confident young adults.”

— Brenda Lawrence, Parent

## About Us

Our teachers use STEM concepts, projects, and field experiences to inspire students to learn in new and interesting ways. The result is inquisitive learners, problem solvers, and environmental stewards who can see connections between school and life.

**ENROLLMENT**  
820 students

121 Butler Ave. W., West St. Paul, MN 55118

# Middle School ATHLETICS & ACTIVITIES

## Mission Statement

Our mission in the School District 197 Middle School Athletics & Activities Department is to assist in the academic, emotional, and physical development of our students through the promotion of teamwork, sportsmanship, and athletic competition. At both Friendly Hills Middle School and Heritage E-STEM Magnet School, we believe athletics and other activities to be a valuable asset to our student-athletes' education; therefore, we have the same objectives and goals of the district's education model. We feel that offering athletics at the middle school level helps grow team-building skills, problem-solving skills, self discipline, and self confidence. Through the development of these skills, our student-athletes will become outstanding members of the school community.

We offer the following programs:

### FALL (Sept. - Oct.)

Boys & Girls Cross Country  
Boys & Girls Soccer  
Girls Tennis  
Girls Volleyball  
Football

### WINTER (Nov. - Feb.)

Boys & Girls Basketball  
Wrestling

### SPRING (April - May)

Boys & Girls Track & Field  
Boys Tennis  
Baseball  
Girls Softball

## Goals of the School District 197 Middle School Athletics & Activities Department

- To provide a positive and fun experience to our student-athletes, while also developing their skills in their respective sport
- To display the proper values of athletics, including sportsmanship, teamwork, cooperation, and competition
- To provide an opportunity to as many students as possible to compete in an activity or sport they love
- To assist in students' emotional and physical behavior, accountability, and respect for rules, property, and authority
- To offer students the opportunity to work as a member of a team in order to achieve a goal, while also understanding the importance of teamwork and good sportsmanship
- To provide students with experiences that require problem solving, decision making, and critical thinking skills
- To give students the opportunity to pursue physical fitness as a means of mental well-being and maintaining a healthy lifestyle
