The Gulf Shores High School and Middle School coaching staff works to remind the players each day of our core values: habit, perseverance, selflessness, and commitment. By instilling these values in our players, we continue to work to build a culture of success and restore the legacy of Gulf Shores High School baseball.

In 2021, the team's motto is "Play for the Pile". We are using this as a reminder of the team's goals for the season. There truly is no greater feeling for an athlete than experiencing a celebratory "dog pile" with their teammates at the end of a hard-fought game.
