RE: *Maplewood Jr/Sr High School Closure*

The District has performed an informal review of potential close contacts involving two (2) positive student cases, one (1) probable student case, and four (4) students awaiting test results. School staff are working to case investigate, contact trace and notify the impacted families.

At this time, a school closure is necessary. Maplewood Jr/Sr High School is closed until February 16, 2021. All students should participate in virtual learning and log into Google Classroom daily. The school is closed to all non-essential personnel, students and visitors.

All families should closely monitor students for signs and symptoms of COVID-19. [Symptoms of Covid-19](#) may include fever or chills, cough, sore throat, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, or new loss of taste or smell. We strongly recommend that parents contact health care professionals if demonstrating any of the signs or symptoms outlined above.

Students and staff that are sick, ill or unwell, must stay home from school.
