TO: Bidders

SUBJECT: Notification of Intent to Award

The District has completed the evaluation process for Solicitation Number 20-0011 Cooper Mountain Seismic General Contractor. The District intends to award to the responsive and responsible Bidder that submitted the best price and that meets the needs and interests of the District.

Notice of Intent to Award a contract to:
Emerick Construction Company

The Contract will be executed not sooner than seven days after the date of this Notice of Intent to Award. The successful bidder is not to proceed with any work in relation to this project until the contract is fully executed and signed by the District, and notice to proceed has been issued as may be required under the contract.

Sincerely,

Peter Madaus
