Immunization Requirements

7th Grade Entry 2021-2022

Dear Parents/Guardians,

Please read this information carefully as you prepare for your 7th grade student to enter junior high school. Please note the following:

- If you wish to have an exemption for your student, an online educational module must be completed, the exemption form must be printed and turned into the school in order for the exemption to be valid.
- Tdap booster, a second varicella (chicken pox) and Meningococcal vaccine are the additional required immunizations to enter junior high school.
- If your student has previously had the chicken pox a doctor's signed verification must be provided in order to be exempt from the varicella vaccine.

To attend the 7th grade, a student must have written proof of receiving the following immunizations:

- **Tdap**
- 2 Measles, Mumps, Rubella (MMR)
- 3 Hepatitis B
- 2 Varicella (chickenpox) or proof of immunity to disease signed by a heath care provider (see below)
- **1 Meningococcal (Only Meningococcal vaccine given after 10 years of age is acceptable for 7th grade school entry)**
- 4 Polio (3 doses, if 3rd does was given on/after 4th birthday)
- 2 Hepatitis A
- 5 DTaP/DT (4 doses of DTaP, if 4th dose given on/after 4th birthday; 3 doses of Td, if starting series after age 7 years with a single dose of Tdap preferred as the first dose)

Starting July 1, 2018 (Utah House Bill 308—School Immunization Law in Utah)
HB 308 Section 53-A-301 requires that students claiming immunity against a disease for which vaccination is required because the student previously contracted the disease **must submit a document signed by a healthcare provider** to the school as proof of immunity. Parents are no longer allowed to sign the Utah School Immunization Record for history of chickenpox disease verification or any other diseases. Schools must attach the immunity document from the provider to the Utah School Immunization Record.

Changes for Medical, Religious, or Personal Exemptions:
"To receive a vaccination exemption form, the legally responsible individual of a student ***must complete an online education module*** about vaccine-preventable diseases (free of charge), ***print the vaccine exemption form***, and present the form to the school. If the legally responsible individual *declines to complete the online education module*, he/she must receive an *in-person consultation* at the local health department ($25 fee may apply), sign the exemption form at the local health department, and provide a copy of the completed school immunization exemption form to the school official."

Medical Exemption: In addition to completing the ***online educational module*** and ***vaccine exemption form*** as stated in the above paragraph, a **written notice signed by a licensed healthcare provider** stating, that due to the physical condition of the student/child, administration of the vaccine would endanger the student's/child's life or health **is required**.

Note: The ***online educational module*** is available on the Utah Immunization Program website **(www.immunize-utah.org)**. A link will also be available on websites of local health departments, local educational agencies, and other public health programs or organizations.

Jr. High Honors Courses
Indicators for Student Success

Please thoughtfully consider the following criteria as you are making a decision about whether or not Jr. High honors level courses will provide the most appropriate learning environment. A student should:

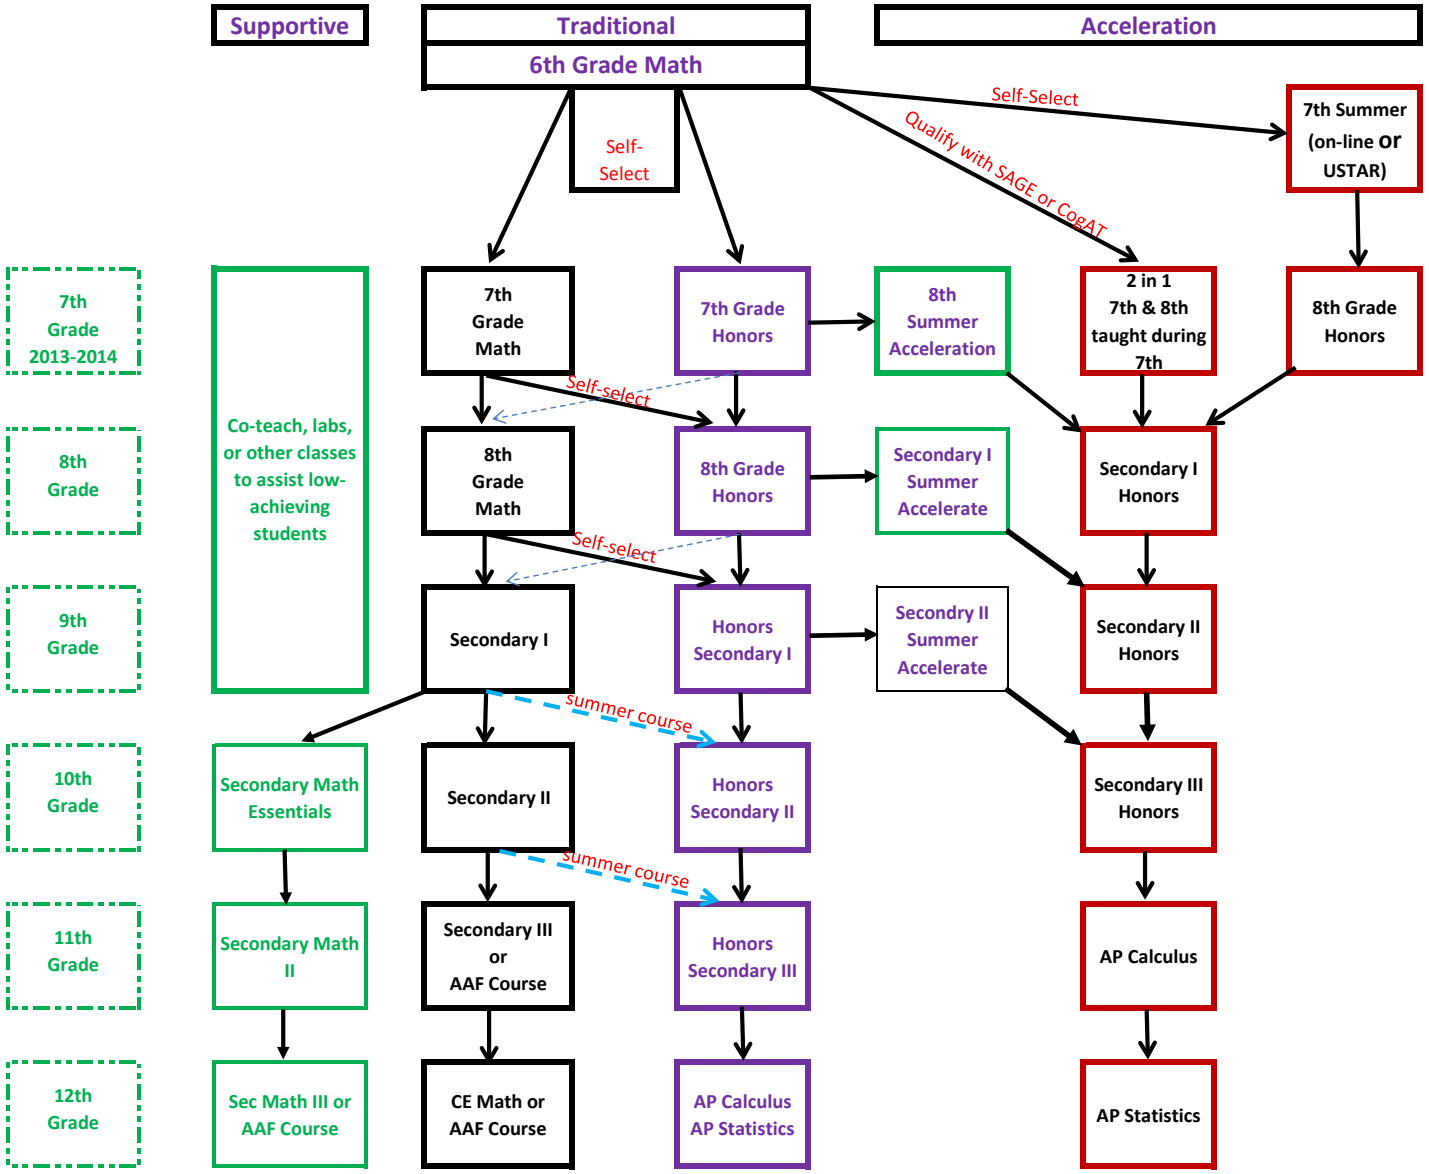
MATH COURSE PROGRESSIONS 2020-2021

7-12 Course Progression



Dear future Kaysville Junior High Band member and Parents,
In the next few days, you will be registering for your classes at Kaysville Junior High. Now is your chance to become a member of one of the elite band programs in the state and country. Over the years, the Kaysville Junior High Band has been recognized as one of the top junior high bands in the state. It is the main feeder for the Davis High Band program, which over the last 20+ years has participated in major national events such as The Pasadena Tournament of Roses Parade, The Midwest Band Clinic in Chicago, and The Macy's Thanksgiving Day Parade in New York City! The band is also one of the largest and most successful group of students at KJH.

All 7th grade students are required to take a fine arts class during their first two year of junior high. By signing up for Beginning Band, students will more than satisfy that requirement. In addition to learning to play an instrument, students gain self-confidence, a strong work ethic, and many new friends. In addition, studies have proven that students who study a musical instrument excel in all areas of education. *Students do not need any musical training of any kind to join the Band. We start from square one*. The KJH Band holds two weeks of Summer Band to help students develop a strong foundation on their instrument. Summer Band is encouraged but not required. More details about Summer Band will come after registration.

Don't miss this chance to join the band! The Kaysville Junior High Band program has enriched the lives of thousands of students! **Come jump on the Band Wagon! Sign up for Band!**
