Dear Families,

Enrollment into the Ouisconsing School of Collaboration for the 2021-2022 school year will begin Monday, **February 15th**. This year, there are two ways to apply. You may apply electronically, via Infinite Campus, or you may turn in a paper form to the LES/OSC office. For your convenience, we have included a paper application to apply with this letter. Instructions to apply electronically are below. All applications must be submitted to Jen Morgan in the OSC/Lodi Elementary School office by **March 15, 2021** by 4:00pm. If you are submitting a paper application, we prefer that you either mail or drop your application off in person, rather than send it to school with your child. All mailed applications must be postmarked by March 15, 2021. When we receive your child's completed application, you will receive a confirmation email. If we should receive more applicants than we have spaces, we will also notify you of the date of the OSC lottery.

Please note if you have a child currently enrolled in OSC in third or fourth grade, and they have an interested sibling in 2nd, 3rd, or 4th grade, you must still complete an application for the sibling because **all new OSC students need an application**.

Would you like to learn what OSC is all about? Please visit our website <https://osc.lodi.k12.wi.us/> or check us out on Facebook (search The Ouisconsing School of Collaboration) to learn more about what we do. We will also hold a live meet on Wednesday, February 24 from 6-7pm for any interested families to ask questions they have about OSC and to give families a chance to meet some of our OSC staff. Look for more information on this event to come out via email.

We look forward to hearing from you!

Sincerely,

OSC Advisors and OSC Governing Board
