

Consolidation and Preparation Time

You told us CP time is useful for:

working collaboratively with your peers

choosing for yourself what you most need to work on

completing, consolidating and revising your learning

learning to work independently of the teacher

Average Scores:

Based on your experience with CP time so far, how well have you used this time for supporting your learning? (rating out of 5)

Middle School

3.77

Senior School

4.06

Average scores:

Looking ahead, how valuable do you think this time will be for helping you to learn better? (rating out of 5)

Middle School

4.02

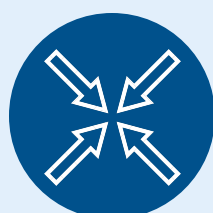

Senior School

4.37

Things we need to work on are:

Making sure the space is not too noisy to concentrate

Learning to focus and avoid distractions

Taking responsibility to make sure the time is used well

Planning so that we balance and manage all of our tasks

Overall, you have told us that you are optimistic about the value of CP time for your learning.

Your voice is vital to our learning about how to make Consolidation and Preparation time better. Thank you.
