**The Family and Community Services program of study introduces students to knowledge and skills related to social services, including child and human development and consumer sciences. CTE concentrators may learn about or practice managing social and community services or teaching family and consumer sciences. Students may follow career paths in social work or therapy for children, families, or school communities.**

**The Human Services Career Cluster focuses on preparing individuals for employment in career pathways that relate to families and human needs such as counseling and community services, personal care services, and consumer services.**

Occupations	Median Wage	Annual Openings	% Growth
