

Celebrating Untold Heroes

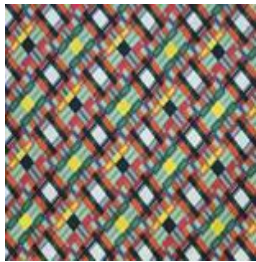

A message from our West Social Justice Group:

For Black History Month we will be making and selling face masks as a way to honor those who have helped enforce equality, stood up and spoken out to injustice. To honor them and the many contributions African Americans have made in our country, face masks will be sold to bring awareness to the good they have done.

As a way to help educate our school community, we will be creating content that will be displayed in the halls for you to learn a little bit more about these heroic African Americans that have made and are making a difference in our world.

You can pre-order your mask beginning Thursday, February 18th during passing times at a cost of \$12.00 each. Orders will be filled starting March 1st. All proceeds from mask sales will be donated to a non-profit organization. Stay tuned for more details.

Thank you for your support!
